Regional Development: Theory and Practice Baleshwar Thakur, H.S. Sharma, Suresh Misra, S. Chattopadhyay, Surendra Singh, 2017-01-01 The Five Volume Series on Regional Development Theory and Practice is a festschrift dedicated to Professor R P Misra a distinguished scholar widely recognized as one of the pioneers who initiated and promoted Regional Planning studies in India This five volume series with over one hundred research papers on different aspects of regional development is a fitting tribute to the scholar who spent much of his life time thinking researching and writing about development in general and regional development in particular These five volumes each dealing with a specific aspect of regional development Vol 1 Concept of Regional Development Vol 2 Measuring Development Vol 3 Development Patterns and Structures Vol 4 Development Policies and Vol 5 Development Challenges Each of the five volumes begins with an introduction which is unique in the sense that this is not merely an introduction to the contributions contained in the volume but also talks of the theory of regional development contemporary development in the discipline and the contrarian views expressed by various academics and policy makers Another significant aspect of these introductions is the global view and a comparative scenario of the developed developing and under developed economies of the world that the editors have kept in view in a debate seeking an universal theory of regional development Regions are specifics and often unique and regional development implies focusing on the assets of the territory its potential and constraints *Indira Gandhi* Jairam Ramesh, 2017-06-10 From an acclaimed economist and politician a unique never before seen look at the life of one of India s most well known prime ministers Indira Gandhi and her work to protect the environment and champion the preservation of nature and the climate Indira Gandhi prime minister of India for sixteen years was as charismatic as she was controversial both admired and criticized for her political judgments and actions Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being Weaving personal political and environmental history politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure He chronicles how and why she made a personal passion a public calling how her views on the environment remained steadfast even as her political and economic stances evolved how her friendships with conservationists led to far reaching decisions to preserve India s biodiversity how she urged cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife and how her own finely developed instincts and initiatives resulted in landmark policies programs and laws that have endured to this day Drawing extensively from unpublished letters notes messages and memos Indira Gandhi A Life in Nature is both a lively engaging narrative about the little known parts of Indira Gandhi s life and also sheds important light on climate change and sustaining the environment today s most pressing global issues **Your Health**, 1975 *Environment Protection and Sustainable Development* Saligram Bhatt, 2004 This Book Should Be Of Much Interest To Scholars In Law And Science To The Environmental Economists And To All Students Of Law Involved In Sustainable Development And

Environment Protection Report India. Dept. of Science and Technology, 1980 **Threatened Planet EVS - 9**, **Chemical Industry News**, 1975 *Chromosome Woman, Nomad Scientist* Savithri Preetha Nair, 2022-11-23 This is the first in depth and analytical biography of an Asian woman scientist Edavaleth Kakkat Janaki Ammal 1897 1984 Using a wide range of archival sources it presents a dazzling portrait of the twentieth century through the eyes of a pioneering Indian woman scientist who was highly mobile and a life that intersected with several significant historical events the rise of Nazi Germany and World War II the struggle for Indian Independence the social relations of science movement the Lysenko affair the green revolution the dawn of environmentalism and the protest movement against a proposed hydro electric project in the Silent Valley in the 1970s and 1980s The volume brings into focus her work on mapping the origin and evolution of cultivated plants across space and time to contribute to a grand history of human evolution her works published in peer reviewed Indian and international journals of science as well as her co authored work Chromosome Atlas of Cultivated Plants 1945 considered a bible by practitioners of the discipline It also looks at her correspondence with major personalities of the time including political leaders like Jawaharlal Nehru biologists like Cyril D Darlington J B S Haldane and H H Bartlett geographers like Carl Sauer and social activists like Hilda Seligman who all played significant roles in shaping her world view and her science A story spanning over North America Europe and Asia this biography is a must have for scholars and researchers of science and technology studies gender studies especially those studying women in the sciences history and South Asian studies It will also be a delight for the general reader **Human Rights, Gender and the Environment** Priyam, Manisha, Menon, Krishna, Banerjee, Madhulika, 2010 In Human Rights Gender and the Environment the authors unravel the complex themes of human rights gender and the environment basing their approach on the pivotal issue of inequality All three themes manifest unequal relationships that exist between humans and between humans and the environment It discusses human rights gender issues in contemporary India impact of socio economic development on the environment and examines the specific issues of the environment in an international context and presents policies and movements in India Regional Planning and Development R. P. Misra, 1989 **Space, Society, and Development** Rameshwar Prasad Misra, 1989 **India Today**, 1980-07 **Silent Valley, Myth and Reality** K. Vijayachandran, 1980 On the setting up of the Silent Valley Hydro Electric Project in Kerala Report - Estimates Committee India. Parliament. Lok Sabha.
