Interpreting Folklore Alan Dundes, 1980-08-22 Dundes has produced a work which will be useful to both students and teachers who wish to broaden their understanding of modern folklore Center for Southern Folklore Magazine It is impossible ever to remain unimpressed with Dundes excursions however much one may be in disagreement or not with his conclusions Forum for Modern Language Studies Often controversial Alan Dundes's scholarship is always provocative perceptive and intelligent His concern here is to assess the material folklorists have so painstakingly amassed and classified to interpret folklore and to use folklore to increase our understanding of human nature and culture Invisible Woman Jagdish D.

Kulkarni M. D., 2010-04 Invisible Woman I to I Invisibility to Invincibility A woman is not an object of study but a subject of realization Invisible Woman is the heartbeat of Jay's Legacy a Not For Profit Organization I have established in my late wife's honor This book is about the Power of Woman A woman who is in possession of unique strengths and subtleties such as instinct intuition imagination etc should never be in a position to lose her sense of pride and value Unfortunately due to inner forces including her capacity to place her loved ones before herself as well as external societal forces and collective psychology many times a woman is affronted with doubts regarding her purposefulness and contextuality in relation to her family Based upon thousands of interactions with female patients I have analyzed eight basic categories based upon personality traits which lend themselves to feelings of invisibility in women The Merger The Pleaser The Defeated The Doubter The Masochist The Martyr The Exasperated and The Lost Each category contains pointed illustrations from patients who exemplified those behavioral characteristics I take the reader through each of these categories and show how to recognize them and more importantly tackle the more pertinent question of what a woman should do if she suffers from the fear or feeling of being invisible My intention is to help a woman to increase her sense of awareness and self realization thus ultimately positioning herself as a vital force a source of energy to mankind This book also attempts to inspire men to recognize and appreciate the innate qualities of a woman and in doing so attain an emotional intellectual and spiritual communion with a woman Jagdish D Kulkarni M D Physician Psychiatrist Businessman Singer and Husband *The Drama*
