Christianity? John Gresham Machen,1951 **Christianity: A Brief History** Michael D. Robinson,2019-06-14 Christianity is one of the world's great religions with more than two thousand years of history and over two billion adherents worldwide. But what is Christianity? Where did it come from? How did it develop to its current forms? What doctrines do Christians affirm? What ethical norms do they endorse? What relationships between church and state do they champion and why? What changes have transpired for the faith over the centuries? And what new challenges does Christianity face in the contemporary world? These and other questions are addressed in Michael Robinson's *Christianity: A Brief History*. After a concise description of the social, political, and religious world of first-century Palestine, the text quickly examines the Jesus of history and tradition, including Jesus' impact upon his first-century followers. The narrative then moves to describe the expansions and developments of Christianity through the ancient, medieval, modern, and contemporary eras. Along the way, readers learn of the varied beliefs, mores, rituals, struggles, and triumphs of the faith, as well as of the spiritual heights and moral blunders of its people. Robinson's intention is to introduce Christianity through its story and through those who lived it. *What Is Christianity?* John W. Alexander,1969-03-01 John W. Alexander presents an argument for the truth of Christianity. **What Is Christianity?** George Nti,2018-12-19 We live in times of this crucial moment in history bombarding us with vigorous religious diversifications, wealth creation strategies, ideological and scientific advancements, and cultural codes that are draining our faith daily and can shutter our beliefs quickly. We are confronted with strategic deceptions, temptation, and mass distortion of the truth about the Gospel, salvation, creation, prosperity, and the meaning of life. Given the frequent and consistent confrontational and diversify nature of many Christian apologists, we have to pause and ask ourselves hard questions: whether in our quest for truth about the Gospel, we have been hijacked by crusaders against false doctrine and ideas. This book is compulsory reading which challenges the entire humanity to find correct answers to the great questions of the ages that are troubling the hearts of billions regarding Christianity: the true purpose of life and how the world works. This rare book in our time, written by a young vibrant servant of God through the strictest guidance of the Holy Spirit, to set the real tone for a new Godly revolution that we can trust forever in this generation and beyond. When Jesus Christ comes to live within us, we have a hope like no other. In a time when Christianity was under such a hot fire from variety of opponents and people of power and influence, SIMON PETER wrote: But set aside the messiah as Lord in your hearts and always be ready to give a defense to anyone who asks you for a reason for the hope that is in you. However, do this with gentleness and respect, keeping your conscience clear so that when you are accused, those who denounce your Christian life will be put to shame. For it is better to suffer for doing good, if that should be God's will, than for doing evil. 1PETER 3:15-17. I give you a glimpse: Jesus died to make atonement of our sins. Two major terms that elaborate the meaning of atonement are EXPIATION and PROPITIATION. Expiation is the process by which sins are covered. Propitiation involves satisfying an offended party which is God. Our generation is committing intellectual adultery. We cannot choose what we want to obey and neglect other texts. We
