Shapiro, 2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement s pro Israel politics or its theology What if we listened seriously to what Christian Zionists and Jewish partners said about Jews Judaism and Israel Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship community centers rallies and of course in Israel As such Christian Zionism is a useful case that allows us to think about contemporary Jewish Christian relations in new ways While some would argue that this is really just about pro Israel alliance building Christian Zionism Navigating the Jewish Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity Christian Zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty first century
