Wikinomics How Mass Collaboration Changes Everything:

Wikinomics Don Tapscott, Anthony D. Williams, 2008 An updated edition of the best selling guide to the art and science of mass collaboration features an additional chapter that shares practical guidelines on how to apply Wikinomics to one's own organization 30 000 first printing **Wikinomics** Don Tapscott, 2006 Wikinomics , 2018 The acclaimed bestseller that's teaching the world about the power of mass collaboration Translated into more than twenty languages and named one of the best business books of the year by reviewers around the world Wikinomics has become essential reading for business people everywhere It explains how mass collaboration is happening not just at Web sites like Wikipedia and YouTube but at traditional companies that have embraced technology to breathe new life into their enterprises This national bestseller reveals the nuances that drive wikinomics and share fascinating stories of how masses of people both paid and volunteer are now creating TV news stories sequencing the human genome remixing their favorite music designing software finding cures for diseases editing school texts inventing new cosmetics and even building motorcycles Wikinomics Don Tapscott, 2008

Wikinomics , 2007 *Wikinomics : how mass collaboration changes everything* , 2008 Wikinomics Don Tapscott, Anthony D. Williams, 2009-05 En este mismo momento miles y hasta millones de equipos de personas están creando nuevas enciclopedias aviones comerciales sistemas operativos fondos de inversión y otros muchos artículos Aunque algunos directivos temen el crecimiento fabuloso de esas ingentes comunidades en línea Wikinomics demuestra lo infundados que están tales miedos Las empresas inteligentes son capaces de aprovechar esa capacidad y ese genio colectivos para espolear la innovación el crecimiento y el éxito **The Impact of Electronic Publishing** David J. Brown, Richard Boulderstone, 2008 The title aims to quantify the future size of the electronic publishing industry and provides practical data to support investment decisions in information systems for electronic media and serves as an aid to forward planning The Impact of Electronic Publishing is the new second edition of the popular 1996 title Electronic Publishing and Libraries Planning for the Impact and Growth to 2003 resulting from the need for accurate up to date information in the face of fast changing technologies Two improvements in particular make this edition stand out on the one hand material is structured according to fields significant to electronic publishing which makes finding the information desired even easier On the other hand the larger format of this edition allows it to present the detailed diagrams more clearly Further all sources of the original book are revised and updated **Civil Servant 2.0** David van Berlo, 2011 In this book Dutch civil servant David van Berlo explains the significance of web 2.0 for government in terms of its internal organisation its relationship with the public and the working methods of the civil servant The second part Civil Servant 2.0 beta provides a practical interpretation of the concepts expressed in the first part and contains action points and ideas for government organisations to develop their own strategies for government 2.0 back cover *The Dynamics of Corporate Social Responsibility* Maria Aluchna, Samuel O. Idowu, 2016-12-27 This book explores recent developments in the theory strategic perspective and international practice of

corporate social responsibility In particular it discusses the consequences of the economic slowdown apparent in many economies and the impact of changes in the regulatory environment It consists of three parts Part one addresses a variety of theoretical approaches as well as the dynamics and criticism of corporate social responsibility It takes into account social and governmental expectations for the new and extended role of companies in the economy and in society and provides a new context and theoretical assumptions regarding the functions and tasks of corporate social responsibility Part two discusses the practical aspects relating to strategic management and corporate governance corporate disclosure and reporting as well as the empowerment of stakeholders Lastly part three focuses on the international practice of corporate social responsibility in various organizational and institutional settings Using numerous case studies the book explores the challenges and tasks of CSR in emerging markets in the fashion industry and in global and family companies It identifies the changes that can be detected following the financial crisis closing the loop and linking the empirical findings with the revised theoretical framework
