William And Dorothy Wordsworth All In Each Other:

William and Dorothy Wordsworth Lucy Newlyn, 2013-09-12 William and Dorothy Wordsworth is the first literary biography of the Wordsworths creative collaboration Using poems letters journals memoirs and biographies it plots the intertwined lives of the Wordsworth siblings and their writing *The Excursion and Wordsworth's Iconography* Brandon C. Yen, 2018-09-20 This book considers William Wordsworth's use of iconography in his long poem *The Excursion* Through the iconographical approach the author steers a middle course between *The Excursion*'s two very different interpretive traditions one focusing upon the poem's philosophical abstraction the other upon its touristic realism Fresh readings are also offered of Wordsworth's other major works including *The Prelude* Yen explores Wordsworth's iconography in *The Excursion* by tracing allusions and correspondences in an abundance of post 1789 and earlier verbal and pictorial sources as well as in Wordsworth's prose and poetry He analyses how the iconographical images in *The Excursion* contribute to and impose limitations on the overarching preoccupations of Wordsworth's writings particularly the themes of paradise lost and paradise regained in the post revolutionary context Shedding light on a vital aspect of Wordsworth's poetic method this study reveals the visual etymologies together with the nuances and rhetorical capacities of five categories of apparently collateral images envisioning rooting dwelling flowing and reflecting **Wordsworth's Monastic Inheritance** Jessica Fay, 2018-04-27 This is the first extended study of Wordsworth's complex subtle and often conflicted engagement with the material and cultural legacies of monasticism It reveals that a set of topographical antiquarian and ecclesiastical sources consulted by Wordsworth between 1806 and 1822 provided extensive details of the routines structures landscapes and architecture of the medieval monastic system In addition to offering a new way of thinking about religious dimensions of Wordsworth's work and his views on Roman Catholicism the book offers original insights into a range of important issues in his poetry and prose including the historical resonances of the landscape local attachment and memorialization gardening and cultivation Quakerism and silence solitude and community pastoral retreat and national identity Wordsworth's interest in monastic history helps explain significant stylistic developments in his writing In this often neglected phase of his career Wordsworth undertakes a series of generic experiments in order to craft poems capable of reformulating and refining taste he adapts popular narrative forms and challenges pastoral conventions creating difficult austere poetry that he hopes will encourage contemplation and subdue readers' appetites for exciting narrative action This book thus argues for the significance and innovative qualities of some of Wordsworth's most marginalized writings It grants poems such as *The White Doe of Rylstone* *The Excursion* and *Ecclesiastical Sketches* the centrality Wordsworth believed they deserved and reveals how Wordsworth's engagement with the monastic history of his local region inflected his radical strategies for the creation of taste **Coleridge and the Romantic Newspaper** Heidi Thomson, 2016-09-24 This book examines how Coleridge staged his private woes in the public space of the newspaper It looks at his publications in the *Morning Post* which first published one of his most famous poems

Dejection An Ode It reveals how he found a socially sanctioned public outlet for poetic disappointments and personal frustrations which he could not possibly articulate in any other way Featuring fresh contextual readings of established major poems original readings of epigrams sentimental ballads and translations analyses of political and human interest stories this book reveals the remarkable extent to which Coleridge used the public medium of the newspaper to divulge his complex and ambivalent private emotions about his marriage his relationship with the Wordsworths and the Hutchinsons and the effect of these dynamics on his own poetry and poetics

Thomas Holcroft's Revolutionary Drama Amy Garnai, 2023-01-13 A key figure in British literary circles following the French Revolution novelist and playwright Thomas Holcroft promoted ideas of reform and equality informed by the philosophy of his close friend William Godwin Arrested for treason in 1794 and released without trial Holcroft was notorious in his own time but today appears mainly as a supporting character in studies of 1790s literary activism Thomas Holcroft's Revolutionary Drama authoritatively reintroduces and reestablishes this central figure of the revolutionary decade by examining his life plays memoirs and personal correspondence In engaging with theatrical censorship apostasy and the response of audiences and critics to radical drama this thoughtful study also demonstrates how theater functions in times of political repression Despite his struggles Holcroft also had major successes this book examines his surprisingly robust afterlife as his plays especially *The Road to Ruin* were repeatedly revived worldwide in the nineteenth century

The Intelligible Ode Graham Davidson, 2023-03-30 From its first publication what is now known as the Immortality Ode has been praised for the magnificence of its verse and disparaged for its paucity of meaning the immortality of the subtitle unsubstantiated and the recollections insubstantial Yet Wordsworth's idea of immortality has clear precedents in the seventeenth century and recollections of childhood are Traherne's starting point for the recovery of a lost vision comparable to Wordsworth's *Via* the power of the imagination or reason they believed they could experience a renewed vision that both termed variously Paradise or infinity or immortality Graham Davidson traces the origins of Wordsworth's poetic impetus to his resistance to the Cartesian division between mind and nature first adumbrated by the Cambridge Platonists If reunited Paradise was regained but this personal trajectory was tempered by a deep sympathy for the woes of mortal life Davidson explores the consequent dialogue through some of Wordsworth's best known poems at the heart of which is the Ode In the last section he demonstrates how Wordsworth's publishing history led the Victorians and modernists to misinterpret his work if one considers Eliot's *Four Quartets* as odes facing several of the same problems as did Wordsworth there is some irony in Eliot's dismissal of the Immortality Ode as verbiage

[The Routledge Companion to Romantic Women Writers](#) Ann R. Hawkins, Catherine S. Blackwell, E. Romanticism and the Letter Madeleine Callaghan, Anthony Howe, 2020-01-29 Romanticism and the Letter is a collection of essays that explore various aspects of letter writing in the Romantic period of British Literature Although the correspondence of the Romantics constitutes a major literary achievement in its own right it has received relatively little critical attention Essays focus on the letters of major poets including Wordsworth Byron Shelley and Keats novelists and prose writers including Jane Austen Leigh Hunt and Charles Lamb and lesser known writers such as Melesina Trench and Mary Leadbeater Moving from theories of letter writing through the period's diverse epistolary culture to essays on individual writers the collection opens new perspectives for students and scholars of the Romantic period

30 Great Myths about the Romantics Duncan Wu, 2015-05-06 Brimming with the fascinating eccentricities of a complex and confusing movement whose influences continue to resonate deeply 30 Great Myths About the Romantics adds great clarity to what we know or think we know about one of the most important periods in literary history Explores the various misconceptions commonly associated with Romanticism offering provocative insights that correct and clarify several of the commonly held myths about the key figures of this era Corrects some of the biases and beliefs about the Romantics that have crept into the 21st century zeitgeist for example that they were a bunch of drug addled atheists who believed in free love that Blake was a madman and that Wordsworth slept with his sister Celebrates several of the mythic objects characters and ideas that have passed down from the Romantics into contemporary culture from Blake's Jerusalem and Keats's Ode on a Grecian Urn to the literary genre of the vampire Engagingly written to provide readers with a fun yet scholarly introduction to Romanticism and key writers of the period applying the most up to date scholarship to the series of myths that continue to shape our appreciation of their work

Writing Lives Together Felicity James, Julian North, 2017-09-27 A diary entry begun by a wife and finished by a husband a map of London its streets bearing the names of forgotten lives biographies of siblings and of spouses a poem which gives life to long dead voices from the archives All these feature in this volume as examples of writing lives together British life writing which has been collaboratively authored and or joins together the lives of multiple subjects The contributions to this book range over published and unpublished material from the late eighteenth to the late nineteenth centuries including biography auto biographical memoirs letters diaries sermons maps and directories The book closes with essays by contemporary practising biographers Daisy Hay and Laurel Brake who explain their decisions to move away from

the single subject in writing the lives of figures from the Romantic and Victorian periods We conclude with the reflections and work of a contemporary poet Kathleen Bell writing on James Watt 1736 1819 and his family in a ghostly collaboration with the archives Taken as a whole the collection offers distinctive new readings of collaboration in theory and practice reflecting on the many ways in which lives might be written together across gender boundaries across time across genre This book was originally published as a special issue of *Life Writing* Romantic Ecocriticism Dewey W. Hall, 2016-03-15

Romantic Ecocriticism Origins and Legacies is unique due to its rare assemblage of essays which has not appeared within an edited collection before Romantic Ecocriticism is distinct because the essays in the collection develop transnational and transhistorical approaches to the proto ecological early environmental aspects in British and American Romanticism First the edition s transnational approach is evident through transatlantic connections such as but are not limited to comparisons among the following writers William Wordsworth William Howitt and Henry D Thoreau John Clare and Aldo Leopold Charles Darwin and Ralph W Emerson Second the transhistorical approach of Romantic Ecocriticism is evident in connections among the following writers William Wordsworth and Emily Bronte Thomas Malthus and George Gordon Byron James Hutton and Percy Shelley Erasmus Darwin and Charlotte Smith Gilbert White and Dorothy Wordsworth among others Thus Romantic Ecocriticism offers a dynamic collection of essays dedicated to links between scientists and literary figures interested in natural history *The Cambridge Companion to 'Lyrical Ballads'* Sally Bushell, 2020-01-09 This accessible collection of essays provides an essential introduction to the volume of poetry that defined British Romanticism *Amorous Aesthetics* Seth T. Reno, 2019 Amorous Aesthetics traces the development of intellectual love from its first major expression in Baruch Spinoza s Ethics through its adoption and adaptation in eighteenth century moral and natural philosophy to its emergence as a Romantic tradition in the work of six major poets **Experimentalism in Wordsworth's Later Poetry** Tim Fulford, 2023-06-29 Tim Fulford provides detailed readings of a range of little known late and difficult poems which together present an alternative Wordsworth to the one we are used to This newly revealed Wordsworth continued experimenting with form genre and style as his career progressed so as to ponder the challenging experiences presented by later life Fulford invites the reader to engage through Wordsworth s poetry with such broadly felt concerns as quarantine isolation mental illness and bereavement Focused yet broad in chronological scope this study also considers the literature of Wordsworth s old age in relation to his earlier work **Walking Histories, 1800-1914** Chad Bryant, Arthur Burns, Paul Readman, 2016-04-16 Few historians have written about walking despite its obvious centrality to the human condition Focusing on the period 1800 1914 this book examines the practices and meanings of walking in the context of transformative modernity It boldly suggests that once historians place walking at the heart of their analyses exciting new perspectives on themes central to the long nineteenth century emerge Walking Histories 1800 1914 adopts a global perspective including contributions from specialists in the history and culture of Great Britain North America Australia Russia East Central Europe

and South Asia Critically engaging with recent research the contributions within offer fresh insights for academic experts while remaining accessible to student readers This book will be essential reading for those interested in movement travel leisure urban history and environmental history

Suffragist Artists in Partnership Lucy Ella Rose,2017-11-22 Explores the interconnected creative partnerships of the Wattses and De Morgans Victorian artists writers and suffragists This is the first book dedicated to examining the marital relationships of Mary and George Watts and Evelyn and William De Morgan as creative partnerships The study demonstrates how they worked individually and together to support greater gender equality and female liberation in the nineteenth century The author traces their relationship to early and more recent feminism reclaiming them as influential early feminists and reading their works from twentieth century theoretical perspectives By focusing on neglected female figures in creative partnerships the book challenges longstanding perceptions of them as the subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary This is also the first academic critical study of Mary Watts s recently published diaries Evelyn De Morgan s unpublished writings and other previously unexplored archival material by the Wattses and the De Morgans Key Features Reveals the ways in which the couples promoted progressive socio political ideasDraws on extensive archival research and analyses unpublished writings including diaries and poemsFocuses on neglected female figures in creative partnerships to challenge longstanding perceptions of them as the submissive or subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binaryShows how male and female writers and artists engaged with mid to late Victorian feminism together and individually reclaiming them as influential early feminists

Wordsworth's Poetry of Repetition Sarah Houghton-Walker,2023 This book explores those moments of repetition placing them in the early nineteenth century context from which they emerged and teasing out through extended close attention to the poetry itself the complexities of repetition and recapitulation

Early Anthropocene Literature in Britain, 1750-1884 Seth T. Reno,2020-08-19 This book questions when exactly the Anthropocene began uncovering an early Anthropocene in the literature art and science of eighteenth and nineteenth century Britain In chapters organized around the classical elements of Earth Fire Water and Air Seth Reno shows how literary writers of the Industrial Era borrowed from scientists to capture the changes they witnessed to weather climate and other systems Poets linked the hellish flames of industrial furnaces to the magnificent geophysical force of volcanic explosions Novelists and painters depicted cloud formations and polluted urban atmospheres as part of the emerging discipline of climate science In so doing the subjects of Reno s study some famous some more obscure gave form to a growing sense of humans as geophysical agents capable of reshaping Earth itself Situated at the interaction of literary studies environmental studies and science studies *Early Anthropocene Literature in Britain* tells the story of how writers heralded and wrestled with Britain s role in sparking the now familiar epoch of humans

Wordsworth's Bardic Vocation, 1787-1842 Richard Gravil,2014-09-08 Wordsworth s Bardic Vocation the most

comprehensive critical study of the poet since the 1960s presents the poet as balladist sonneteer minstrel elegist prophet of nature and national bard The book argues that Wordsworth s uniquely various oeuvre is unified by his sense of bardic vocation Like Walt Whitman or the bards of Cumbria Wordsworth sees himself as the people s remembrancer Like them he sings of nature and endurance laments the fallen fosters national independence and liberty His task is to reconcile in one society the living and the dead and to nurture both the people and the kind Review Comment This erudite exposition profligate with its ideas succeeds as few others have done in apprehending Wordsworth s career holistically incorporating all its diversities and apparent inconsistencies into a unified vision It justifies fully the notion proposed by Hughes and Heaney that he was England s last national poet Duncan Wu Review of English Studies

Modern British Nature Writing, 1789-2020 Will Abberley, Christina Alt, David Higgins, Graham Huggan, Pippa Marland, 2022-03-17 Why do we speak so much of nature today when there is so little of it left Prompted by this question this study offers the first full length exploration of modern British nature writing from the late eighteenth century to the present Focusing on non fictional prose writing the book supplies new readings of classic texts by Romantic Victorian and Contemporary authors situating these within the context of an enduringly popular genre Nature writing is still widely considered fundamentally celebratory or escapist yet it is also very much in tune with the conflicts of a natural world under threat The book s five authors connect these conflicts to the triple historical crisis of the environment of representation and of modern dissociated sensibility This book offers an informed critical approach to modern British nature writing for specialist readers as well as a valuable guide for general readers concerned by an increasingly diminished natural world
