

William Golding S

Bernard F. Dick

William Golding S:

William Golding Raychel Haugrud Reiff,2010 An in depth analysis of William Golding his writings and the historical time period in which they were written **The Art of William Golding** Bernard Stanley Oldsey,Stanley Weintraub,1965 William Golding has written some of the most exciting fiction of the postwar period This resourceful study of his novels examines them from the perspective of an original thesis that each represents a response to a specific book by an earlier writer transformed by Golding s artistry into a wholly new work bearing his unmistakable imprint By exploring the origins of Golding s novels the authors redefine the total creative process and clearly show the particular force and relevance of each work Any serious reader of fiction will be interested in this original exposition of the Golding canon from Lord of the Flies Golding s reaction to a Victorian boys book to The Spire his Ibsenite novel Back cover **William Golding** John Carey,2010-06-01 In 1953 William Golding was a provincial schoolteacher writing books on his breaks lunch hours and holidays His work had been rejected by every major publisher until an editor at Faber and Faber pulled his manuscript off the rejection pile This was to become Lord of the Flies a book that would sell in the millions and bring Golding worldwide recognition Golding went on to become one of the most popular and influential British authors to have emerged since World War II He received the Booker Prize for the novel Rites of Passage in 1980 and the Nobel Prize for Literature in 1983 Stephen King has stated that the Castle Rock in Lord of the Flies continues to inspire him so much so that he named his entertainment company after it and has placed the Golding novel prominently in his novels Hearts in Atlantis and Cujo Golding has been called a British Vonnegut disheveled and darkly humorous perverse when it would have been easier to be bitter bitter when it would have been easier to be lazy sometimes more disturbing than he is palatable and above all fascinating beyond measure Yet despite the fame and acclaim the renowned author saw himself as a monster a reclusive depressive ruled by his fears and a man who battled alcoholism throughout his life In addition to being a schoolteacher Golding was a scientist a sailor and a poet before becoming a bestselling author and his embitterment and alienation his family the women in his past along with his experiences in the war inform his work This is the first book to unpack the life and character of a man whose entire oeuvre dealt with the conflict between light and dark in the human soul tracing the defects of society back to the defects of human nature itself Drawing almost entirely on materials that have never before been made public John Carey sheds new light on Golding Through his exclusive access to Golding s family Carey uses hundreds of letters unpublished works and Golding s intimate journals to draw a revelatory and definitive portrait An acclaimed critic Carey enriches crucially our appreciation of the literary work of Golding bringing us as the best literary biographies do back to the books And with equal parts lyricism and driving emotion Carey brings to light a life that is extraordinary to the point of transcendent and a writer who trusted the imagination above all things William Golding Jack I. Biles,Robert O. Evans,2014-07-15 In William Golding Some Critical Considerations fourteen scholars assess various aspects

of the Nobel Prize winning author's writings. Their essays include criticism of individual works, discussion of major themes and technical considerations and bibliographical studies. Separately the essays help us understand the intricacies and impact of Golding's art; together they show the breadth of his purpose.

William Golding Kevin McCarron, 2006. This is a comprehensive study questioning *Lord of the Flies*' status as Golding's most popular and important work and giving prominence to *The Inheritors*, *Pincher Martin*, *The Spire* and *The Sea Trilogy*.

William Golding: The Faber Letters William Golding, 2025-11-04. The remarkable literary collaboration between a Nobel Prizewinning novelist and his editor of more than forty years. Three people have been of major importance and influence in my life and you are one of them. There is a way in which I am as a writer at least partly your creation. William Golding to Charles Monteith. In 1953 William Golding's novel *Lord of the Flies* was rescued from a slush pile of unsolicited manuscripts by Charles Monteith, a new young editor at the publishing house Faber Faber. It went on to sell over 25 million copies. Over the next forty years Monteith worked closely with Golding on every one of his novels. These letters tell the story of their remarkable collaboration. They chart Golding's transformation from unknown middle-aged schoolmaster to knighted Nobel Prizewinner and they tell the story of a deep and mutually rewarding friendship as Dear Monteith and Dear Golding become Dear Charles and Dear Bill. In this beautifully produced stitch-bound volume Tim Kendall draws on both public and private archives to reveal the relationship between one of the greatest novelists of the twentieth century and his publisher, both men who considered themselves for different reasons to be outsiders. Their correspondence sheds fascinating light on both the mysteries of the writing process and the vagaries of the literary world. Generous, amusing, acerbic, intimate and often irreverent, these letters encompass gossip, reading recommendations and stories of Greek island adventures as well as detailed discussion of titles, characters and Golding's dreadful spelling.

The Novels of William Golding H. S. Babb, 1973

William Golding's *Lord of the Flies* Harold Bloom, 1996. Includes a brief biography of William Golding, thematic and structural analysis of the work, critical views and an index of themes and ideas.

Unpublished Golding William Golding, 1973

Close Quarters William Golding, 2013-11-05. Lose yourself in an epic naval journey in the second novel in the Booker Prize winning historical fiction *Sea Trilogy* by the author of *Lord of the Flies*. This tropical nowhere was the whole world, the whole imaginable world. A decrepit warship is becalmed halfway to Australia, stilled in an ocean wilderness of heat and sea mists. In this surreal, fete-like atmosphere a ball is held with a passing ship; the passengers dance and flirt while beneath them seaweed like green hair spreads ominously over the hull. Half mad with fear, drink, love and opium, both vessel and passengers feel themselves going to pieces and the very planks seem to twist themselves alive as the ship comes apart at the seams. Fantastic Gems tumble off the pages. A strong sense of drama. Much of the pleasure of reading his work is his original imagery. Annie Proulx: No living writer has represented the fragility of man's experience so marvellously as Golding. AS Byatt: It is in Golding's magnificent, terrifying descriptions of seascapes that the deepest meanings can be found. Kate Mosse: Stunning. As exciting as any thriller.

Sunday Times A feat of imaginative reconstruction as vivid as a dream Daily Mail Tells an utterly absorbing tale in language of immense force and subtlety Financial Times To The Ends of the Earth A Sea Trilogy Book Two William Golding Philip Redpath,1986 This book is intended for all readers of William Golding whether they be students professional critics or casual readers Thirty years after the publication of Lord of the Flies a complete Golding bibliography would consist of well over 2000 entries To add to this mass of exegesis must be at the risk of burying Golding s work under yet more writing about his writing This study does not claim to be an interpretation of the novels it does not set out to explain what they mean Rather the aim has been to explore the ways in which the novels create meaning **William Golding** Bernard F. Dick,1987 Provides in depth analysis of the life works career and critical importance of William Golding **William Golding** Usha George,2008 William Golding 19111993 British novelist William Golding Mark Kinkead-Weekes,1968 **Critical Essays on William Golding** James R. Baker,1988 *William Golding, Lord of the Flies* Alastair Niven,William Golding,1983 *Nature of Man in the First Six Fantasy Novels of William Golding* Mark Gregory,William Golding,2009 This critique my greatest achievement at my alma mater the College of Wooster could have been beneficial A health mind lost directly thereafter due to poor support in job searching saw college life as the best and worst times of my life From this highly demanding envious arose my document Today daymares of my readers need for understanding William Golding in the light see my picking up some Currently my medical compliance shall determine future success Eager commitment to novel writing encourages keeping out of the mental institution I am now seriously blessed by a good God who seeing how some live wants William Golding as preferably by a British icon for His people to learn from **The Two Worlds of William Golding** Arthur T. BROES,William Golding,1963 **Of Earth and Darkness** Arnold Johnston,1986 *William Golding's Lord of the Flies (ELL).* ,2009
