Wilson Iv Confusions 1915 1916 Princeton:

American Grand Strategy and National Security Michael Clarke, 2021-08-24 This book is focused on explaining the grand strategic behavior of the United States from the Founding of the Republic to the Trump administration To do so it employs a neoclassical realist framework to argue that while systemic change explains the broad evolution of US grand strategy the precise shape and content of the grand strategies pursued has been conditioned by domestic political culture and interests The book argues that distinct political cultures of statecraft Hamiltonian Jeffersonian Jacksonian and Wilsonian have acted as permissive filters through which policy makers have interpreted and responded to systemic stimuli making some grand strategy choices more likely than others in the pursuit of national security The book demonstrates that while primacist grand strategies were facilitated by the predominance from the mid 19th century to the early 21st century of the vindicationist Hamiltonian and Wilsonian forms of statecraft the costs of primacy have now stimulated the resurgence of the long dormant exemplarist Jeffersonian and Jacksonian forms of statecraft under the Obama and Trump administrations resulting in grand strategies that seek to either manage or stave off decline in America's relative power position [Black Newspapers and America's War for Democracy, 1914-1920](#) William G. Jordan, 2003-01-14 During World War I the publishers of America's crusading black newspapers faced a difficult dilemma Would it be better to advance the interests of African Americans by affirming their patriotism and offering support of President Wilson's war for democracy in Europe or should they demand that the government take concrete steps to stop the lynching segregation and disfranchisement of blacks at home as a condition of their participation in the war This study of their efforts to resolve that dilemma offers important insights into the nature of black protest race relations and the role of the press in a republican system William Jordan shows that before during and after the war the black press engaged in a delicate and dangerous dance with the federal government and white America at times making demands or holding firm sometimes pledging loyalty occasionally giving in But although others have argued that the black press compromised too much Jordan demonstrates that given the circumstances its strategic combination of protest and accommodation was remarkably effective While resisting persistent threats of censorship the black press consistently worked at educating America about the need for racial justice [Democrat and Diplomat](#) Robert Dallek, 1968 Acclaimed author and historian Robert Dallek's insightful biography of William Dodd the U S Ambassador to Germany during the ascension of Hitler and the Nazi party exposes the dark underbelly of 1930s Germany and the terrible burden of those who realized the horror that was to come **On a Knife Edge** Holger Afflerbach, 2022-10-20 Was the outcome of the First World War on a knife edge In this major new account of German wartime politics and strategy Holger Afflerbach argues that the outcome of the war was actually in the balance until relatively late in the war Using new evidence from diaries letters and memoirs he fundamentally revises our understanding of German strategy from the decision to go to war and the failure of the western offensive to the radicalisation of Germany's war effort under Hindenburg and Ludendorff

and the ultimate collapse of the Central Powers He uncovers the struggles in wartime Germany between supporters of peace and hardliners who wanted to fight to the finish He suggests that Germany was not nearly as committed to all out conquest as previous accounts argue Numerous German peace advances could have offered the opportunity to end the war before it dragged Europe into the abyss *Joe T Robinson: Always a Loyal Democrat (p)* ,1998 Ellen and Edith Kristie Miller,2010 An authoritative dual biography of the two wives of Woodrow Wilson Presents a rich and complex portrait of Wilson s marriages first to the demure Ellen Axon Wilson and then to the controversial Edith Bolling Wilson as well as his relationship with a dearest friend Mary Allen Hulbert Peck *The Wilson Administration and the Shipbuilding Crisis of 1917* William John Williams,1992 This is a study of the Wilson Administration s inept initial attempts to deal with the shipbuilding crisis of 1917 Based upon extensive research in government archives and private manuscript collections it begins with an outline of the history of American shipbuilding prior to 1914 and examines the impact of World War I It details the growth of the shipyards the political process involved in the creation of the Shipping Board and the Wilson Administration s choice of the original members Woodrow Wilson ,1990 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) *Wilson* Arthur Stanley Link,1964 The Description for this book Wilson Volume IV Confusions and Crises 1915 1916 will be forthcoming **President Wilson Fights His War** Harvey Arthur DeWeerd,1968 Diplomat in Khaki Andrew J.
