Andersen, 2009-05-13 Lessons of the Wild creates an awareness of the essential lessons that Nature teaches us and provides a guidebook for men and women particularly those in their forties fifties and sixties who are seeking greater significance in their lives This book traces the traditional meaning of wilderness blended with deep reflections and fascinating stories told by ordinary and some extraordinary people whose lives were dramatically altered by their experiences in wild places In Lessons of the Wild Ed Andersen proposes that we have become estranged from the Source of our being and that the wilderness is our place of deep belonging He calls for a rediscovery of our densely embedded affiliation with the Earth and its inhabitants In support of this call he offers five paired paths to wisdom called Habits of Wholeness which ultimately lead the reader to the consideration of a radical personal freedom The book is unique in the way that it captures the elusive relationship between the outer wilderness of Nature and the inner wilderness of the human spirit Lessons of the Wild is also a book about transitions particularly in the major passages from boyhood to manhood and from the middle years to an age of wisdom Lessons of the Wild is grounded in the profound conviction that wisdom can be drawn out of the wilderness and into everyday experience And that through Nature we can begin to recover some of what's missing from our lives Herald of Gospel Liberty Elias Smith, 1911 The Lost Wilderness Śrīnidhi Siddhāntalāṅkāra, 1998 Author's personal narratives about the wild life in and around the Chandni Forest Range of western Uttar Pradesh India Lost in the Wilderness Faith Parker, 2016-02-16 Have you ever been lost in the wilderness feeling alone abandoned and out of control Being lost is a scary feeling when you don't know which direction to turn In Lost in the Wilderness author Faith Parker shares her experience while continually under the care and protection of God She shares personal encounters throughout her journey with the Heavenly Father as He stood by her side nurturing her teaching her and guiding her every step of the way out of the wilderness Slowly finding her way out she was back into the loving arms of her Father Every man and woman of God will experience times in the wilderness During
