Willow Weep For Me A Black Womans Journey Through Depression:

Willow Weep for Me Nana-Ama Danquah,2023-10-03 The first book to focus on Black women and depression through the author s absorbing and inspirational Washington Post personal journey When Nana Ama Danquah a twenty two year old single mother began to suffer from a variety of depressive symptoms after giving birth to her daughter she thought she was going crazy Determined to portray strength in a world that often undervalues Black women s lives she shrouded her debilitating despair in silence and denial But when she befriends other Black women who suffer with depression she finds the support she needs to confront the traumatic childhood events that lie beneath her grief Twenty five years after its initial publication as best selling author Andrew Solomon writes in an illuminating foreword Willow Weep for Me remains a brave book but at the time of its writing it was humbly audacious Also including an afterword from the author this groundbreaking classic is a powerful meditation on courage and a litany for survival An important and moving memoir Danquah describes beautifully her experiences with depression Kay Redfield Jamison author of *An Unquiet Mind* **Willow Weep for Me** Meri Nana-Ama Danquah,1998-02 Willow Weep for Me Meri Nana-Ama Danquah,2009 **Ebony** ,1999-05 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **The Disability Studies Reader** Lennard J. Davis,2006 The second edition of *The Disability Studies Reader* builds and improves upon the classic first edition which has sold well over 6000 copies since 1999 As a field disability studies burst onto the scene across the social sciences and humanities in the 1990s and the first edition of the reader gathered the best work that had been written on the subject including essays by famous authors such as Susan Sontag and Erving Goffman The new edition is more global in its coverage and adds material on genetic testing the human genome queer studies and issues in developing countries The size of the audience has grown since the first edition s publication and the second edition s new material will make it even more useful for courses on the subject Courses on the subject have mushroomed in the past ten years and can now be found across the social sciences humanities and behavioral sciences **Behind the Mask of the Strong Black Woman** Tamara Beauboeuf-Lafontant,2009-06-26 Explores the restrictive myth of the strong black woman through interviews revealing the emotional and physical toll this performance can have **Faith, Health, and Healing in African American Life** Stephanie Y. Mitchem,Emilie M. Townes,2008-08-30 Black Americans are more likely than Whites to die of cancer and heart disease more likely to get diabetes and asthma and less likely to get preventive care and screening Some of this greater morbidity results from education income level and environment as well as access to health care But the traditional medical model does not always allow for a more holistic approach that takes into account the body the mind the spirit the family and the community This book offers a better understanding of the varieties of religiously based approaches to healing and alternative models of healing and health found in Black communities in the United States Contributors address the communal

aspects of faith and health and explore the contexts in which individuals make choices about their health the roles that institutions play in shaping these decisions and the practices individuals engage in seeking better health or coping with the health they have By paying attention to the role of faith spirit and health this book offers a fuller sense of the varieties of ways Black health and health care are perceived and addressed from an inter religious perspective Community and religion based initiatives have emerged as one key way to address the health challenges found in the African American community In cities such as Atlanta Baltimore Dallas and Oakland residents organize exercise groups teach one another how to cook with healthy ingredients and encourage neighbors to get regular checkups Churches have become key sites for health education screening and testing Another set of responses to the challenge of Black health and healthcare in the United States comes from those who emphasize the body as a whole body mind soul and spirit often drawing on religious traditions such as Islam and African based religions such as Spiritism Santeria Vodun aka Voodoo Candomblé and others Understanding the issues and the various approaches is essential to combating the problems and this unique volume sheds light on areas often overlooked when considering the issues

Black Women's Yoga History Stephanie Y. Evans, 2021-03-01 How have Black women elders managed stress In *Black Women's Yoga History* Stephanie Y Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement segregation and migration to the Civil Rights Black Power and New Age movements have been in existence all along Life writings by Harriet Jacobs Sadie and Bessie Delany Eartha Kitt Rosa Parks Jan Willis and Tina Turner are only a few examples of personal case studies that are included here illustrating how these women managed traumatic stress anxiety and depression In more than fifty yoga memoirs Black women discuss practices of reflection exercise movement stretching visualization and chanting for self care By unveiling the depth of a struggle for wellness memoirs offer lessons for those who also struggle to heal from personal cultural and structural violence This intellectual history expands conceptions of yoga and defines inner peace as mental health healing and wellness that is both compassionate and political

Lives beyond Borders Ina C. Seethaler, 2021-11-01 A cross cultural comparative study of contemporary life writing by women who migrated to the United States from Mexico Ghana South Korea and Iran *Lives beyond Borders* broadens and deepens critical work on immigrant life writing Ina C Seethaler investigates how these autobiographical texts through genre mixing motifs of doubling and other techniques challenge stereotypes social hierarchies and the supposed fixity of identity and lend literary support to grassroots social justice efforts Seethaler's approach to literary analysis is both interdisciplinary and accessible While *Lives beyond Borders* draws on feminist theory critical race theory and disability and migration studies it also uses stories to engage and interest readers in issues related to migration and social change In so doing the book reevaluates the purpose form and audience of immigrant life writing

Engaging the Diaspora Pauline Ada Uwakweh, Jerono P. Rotich, Comfort O. Okpala, 2013-10-29 By its focus on the African immigrant family *Engaging the Diaspora Migration and African Families* carves its own niche on the migration discourse It brings

together the experiences of African immigrant families as defined by various transnational forces As an interdisciplinary text *Engaging* makes a handy reference for scholars and researchers in institutions of higher learning as well as for community service providers working on diversity issues It promotes knowledge about Africans in the Diaspora and the African continent through current and relevant case studies This book enhances learning on the contemporary factors that continue to shape African migrants
