Married to Krampus Marina Simcoe, 2023-08-23 My husband has horns hooves fur and a tail His Krampus like appearance didn t scare me away from marrying him Forever an optimist I eagerly agreed to be the first bride shipped under the new liaison program to Voran a country on the newly discovered planet Neron The Colonel also has two little boys a huge plus for me since I adore children My down to earth sister says I live with my head in the clouds And maybe I naively hoped for an out of this world romance What I didn t expect was an out of this world brute The scowling growling rough around the edges Colonel proves hard to live with and impossible to love He s also proud and possessive and is dead set on keeping me as his wife Did I mention he has horns Well he s also horny And our expectations of marriage don t exactly align There is something behind the scowl of this infuriating man though that intrigues me Catching glimpses of his strong fur covered body makes my stomach flutter with excitement I came to Voran hoping to find my place in its culture and in the Colonel s heart Could there be a way to make this thing between us work _____ All

books in My Holiday Tails series stand alone loosely connected by the same world and the fact that all heroes have tails The books in this series can be read in any order _____ Contains graphic scenes of intimacy Intended for mature readers

My Birthday Getaway Marina Simcoe, 2023-10-10 Aliens came to Earth to abduct our women but it backfired Now they re returning them and I m in charge of shuttling women back from orbit Ever since I first laid my eyes on the alien ship s commander I ve had a crush on him Who can blame me He s tall and gorgeous with skin the color of midnight He has a voice that can purr or roar and seven long tails that he really knows how to use I know I can t have him I ve never even spoken to him But when an incident renders the commander unconscious I have no choice but to take him to my remote hunting cabin Instead of cooperating the commander thinks he s been abducted Now I have a pissed off alien on the loose in the Canadian wilderness wearing my Snuggie I need to find him or risk losing my job and starting an interplanetary conflict

among other things What I don't know is that finding him will cost me my heart _____ All books in My Holiday Tails series stand alone loosely connected by the same world and the fact that all heroes have tails The books in this series can be read in any order _____ No part of this book was created using generative AI Written by the author Contains graphic scenes of intimacy Intended for mature readers *What Makes an Alien a Dad?* Marina Simcoe, 2025-05-08 As per the marriage agreement between Earth and Neron Voranian aliens can marry human women but our species can't reproduce Historically Voranian women have served as surrogates to carry children of the single dads in Voran The renowned Voranian Professor Thormus is working on a method that would allow the human women married to Voranian men to carry their husbands' children Of all the women on Earth the professor selects me as the subject for his extensive study project My traveling to Neron puts a strain on the relationship with my boyfriend back home Which in turn causes Professor Thormus to worry about the effects of nervous breakdown on my system While I think I'm mending my long distance relationship with my boyfriend I find myself inconveniently attracted to the highly intelligent yet socially awkward professor If only I knew what an idiotic solution my brilliant professor would come up with to help me deal with the stress of heartache _____ All books in My Holiday Tails series stand alone loosely connected by the same world and the fact that all heroes have tails This series can be read in any order
