Thinking Theologically Foundations For Learning:

Thinking Theologically Eric D. Barreto, 2015-01-01 We are constantly engaged in processing data and sensory inputs all around us even when we are not conscious of the many neural pathways our minds are traveling So taking a step back to ponder the dimensions and practices of a particular way of thinking is a challenge Even more important however is cultivating the habits of mind necessary in a life of ministry This book therefore will grapple with the particular ways that the theological disciplines invite students to think but also the ways in which thinking theologically shapes a student's sense of self and his or her role in a wider community of belief and thought Thinking theologically is not just a cerebral matter thinking theologically invokes an embodied set of practices and values that shape individuals and communities alike Thinking theologically demands both intellect and emotion logic and compassion mind and body In fact this book as part of the Foundations for Learning series will contend that these binaries are actually integrated wholes not mutually exclusive options

Faithful Science Alistair J. McKitterick, 2022-03-17 This thesis studies the impact of teaching intelligent design to evangelical students Science is often presented as a reason why some find sharing their faith difficult in a secular culture teaching the science of intelligent design enables Christians to initiate conversations and overcome obstacles with those whose worldview is more Darwinian and materialist The professional doctoral research employs both action research and practical theology Lin Norton's pedagogical action research provides the structure for the qualitative research and thematic analysis showing that students find learning about intelligent design empowering for evangelism Richard Osmer's model of practical theology enables an interdisciplinary reflection on how intelligent design challenges Western secular culture Intelligent design is seen as the most integrative of all the different ways of relating science and theology Theologically teaching intelligent design is like teaching a modern parable to contemporary society and just like the Gospel parables some respond with faith and some reject it Evangelical students find learning about it both liberating and empowering in their ability to share their faith more confidently with others especially in schools and youth groups

The Preacher as 'First Listener' Filip De Cavel, 2020-07-15 The preacher's weekly assignment is brutally repetitive Fill the blank page by Sunday at least twice a month if not even more This book offers a biblical theological and empirical grounding to support the preacher's self-reflective listening and sermonizing practices in order for the preacher to be aware of his/her spirituality of listening and discernment

UBUNTU and the Word Rev. Corey L. Brown, MDiv, 2024-01-05 A primer for Afrodiasporan theology There is no way for one book to contain all that there is to know about the theologies of the peoples of the African Diaspora UBUNTU and the Word is an African Diasporan quest for the truth not just any but the scriptural and spiritual truth for people who have been oppressed marginalized and disenfranchised The biblical truth is not derived from stiff-necked doctrine or dogmatic orthodoxy UBUNTU is the means to creating the Beloved Community UBUNTU means I am because you are and you are because I am UBUNTU is about liberating the Bible from its white male cisgender Eurocentric hegemony My

hope is that this book will help us to develop healthier more holistic relationships with our faith and with each other The goals of UBUNTU and the Word are to serve as a bridge between everyday religious discourse and religious academia and to generate healthy spiritual dialogue In turn we will reclaim our rightful place in the Imago Dei for the Afrodiasporan tapestry that is Queer Womanist and Blackity Black UBUNTU and the Word helps us on our biblical journey through the eyes the mind and the souls of the entire African Diaspora So many people are on religious deconstruction journeys but the problem comes in rebuilding a faith I hope this book will provide a foundation to build again while better understanding what you believe and most importantly why you believe Although rooted in the Christian faith I hope for all Afrodiaspora members who are even practitioners of other faiths to find something useful within the pages of UBUNTU and the Word *Bridging the Interpretive Abyss* Luis Menéndez-Antuña, 2025-04-04 As readers and interpreters how might our understanding of the New Testament change if unlike historicism with its colonizing agenda and its focus on ancient contexts we took contemporary global crises including mass incarceration a pervasive culture of torture the HIV pandemic and the legacies of enslavement as our starting point for reading biblical texts Luis Menéndez Antuña demonstrates how a cultural studies approach that centers twenty first century queer existence and experiences of suffering illuminates rather than obscures ancient New Testament contexts Each chapter weaves together a biblical text different works of art and a political crisis This hermeneutical approach bridges the abyss between the past and present the Global North and the Global South biblical scholarship humanities and social sciences Readers coming to the New Testament text with political and ethical concerns will find new emancipatory strategies making this volume essential reading for scholars and students While Mortals Sleep Robert D. Flanagan, 2025-06-05 America's nineteenth century preachers and religious leaders moved public sentiment and shaped the nation's moral character Equally influencing events were America's preachers and religious leaders who moved public sentiment and shaped the nation's moral character In that class of great religious figures is the Episcopal preacher and bishop Phillips Brooks The Boston Brahmin and Harvard University graduate rose to heights as an anti slavery clergyman and indefatigable pastor to congregations in Philadelphia and Boston Yet his many achievements must be balanced against his youthful arrogance and his shrewdness This book examines the spiritual and moral character of Phillips Brooks 1835 1893 as evidenced through his life and ministry The volume's eight essays recognize the most recent academic contribution by Gillis J Harp Brahmin Prophet Phillips Brooks and the Path of Liberal Protestantism 2003 but move beyond it in several crucial ways This new work seeks to reevaluate Brooks considering the early twenty first century social and racial conflicts and subsequent cultural soul searching The contributors portray Brooks as a man filled at times with hubris classism and prejudices and at other times with creative passion and pastoral concern for all peoples While Mortals Sleep focuses less on the external influences upon Brooks and more on his actions and works within his historical context The essays seek to show his legacy in a present day light illustrating Brooks at his best and worst Thinking Sex with the Great

Whore Luis Menéndez-Antuña, 2018-04-17 Many scholars in Biblical and Revelation studies have written at length about the imperial and patriarchal implications of the figure of the Whore of Babylon. However, much of the focus has been on the links to the Roman Empire and ancient attitudes towards gender. This book adds another layer to the conversation around this evocative figure by pursuing an ideological critique of the Great Whore that takes into account contemporary understandings of sexuality and in so doing advances a de-moralization of apparent sexual deviancy both in the present and in the past. Offering an emancipatory reading of Revelation 17-18 using Foucauldian postcolonial and queer historiographies, this study sets out alternative paths for identity construction in Biblical texts. By using these alternative critical lenses, the author argues that the common neglect of the ethical and political impact of Biblical texts in the present can be overcome. This in turn allows for fresh reflection on the study of the Bible and its implications for progressive politics. Situated at the intersection of Revelation Studies, Biblical Studies and Hermeneutics, as well as Contextual Liberationist Theologies and Queer and Postcolonial Criticism, this is a cutting-edge study that will be of keen interest to scholars of Theology and Religious Studies.

Womanist Dictionary Thao Chu, Ngan Vu, 2019-08-29 The linguistic aspect of Womanism offers learners values as any other social language. While most French learners get a glimpse into the history of Napoleon and many Chinese speakers are familiar with an Asian lifestyle, English non-native speakers like us need to understand the language in a broader scope. Since English is our shared method of communication, we have to adapt to not just one culture but also variants in accents or vocabularies from multiple English-speaking countries. Similarly, Womanism serves the same purpose among the black community. By speaking Womanism, they are able to understand and embrace each other's values and virtues while making their history known to the rest of the world.

Thinking Theologically about Language Teaching Cheri L. Pierson, Will Bankston, 2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created, sustained and purposed through Christ. This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics, culture and education merge. This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture, one that provides a nuanced approach that glorifies God in a manner specific to the language classroom. The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence, thereby pointing them to the communicative God whose image they bear.

Thinking Theologically about Mass Incarceration Antonios Kireopoulos, Mitzi J. Budde, Matthew D. Lundberg, 2017 This book is the fruit of a multi-year dialogue among Christian churches in the United States addressing from theological perspectives mass incarceration as an issue in need of radical reform.

Preparing for Ministry George M. Hillman, Most seminaries now require their students to get real-world training by way of supervised theological field education. This volume presents the wide array of issues that must be understood in order to integrate theological education and practical ministry.

including the importance of theological field education its purpose and challenges the need for flexibility in meeting different students needs and the resources available to create a meaningful and educational experience

Proclaiming the Gospel in a Secular Age David G. Attfield, 2017-11-22 This title was first published in 2001 Proclaiming the Gospel in a Secular Age explores how a religion Christian or any other focussing on a personal God may be communicated to people in a secular age With people uninterested uninformed or unbelieving in the Godward dimension and in any particular religious tradition David Attfield claims that appropriate communication is essential Before direct communication can begin some background conditions in the targeted population must be satisfied and communication then requires a series of stages This book offers an examination of seven particular species for communication evangelism inter faith dialogue nurture of adults nurture of children religious education in schools the academic study of religion professional ministerial formation David Attfield offers fresh insights and practical suggestions which will be of interest to a wide range of students academics and those in ministerial training and practice

Transforming Theological Education, 2nd Edition Perry Shaw, 2022-01-31 For several decades concern has been expressed about the need for greater integration and contextual significance in the curricular design of theological education In addition there has been a growing awareness of the role theological schools should play in strengthening the missional vision and practice of local churches Drawing on Dr Perry Shaw s experience as faculty member educational engineer and acting academic dean for Arab Baptist Theological Seminary Transforming Theological Education provides theoretical foundations and practical principles for purposeful curriculum design as well as tools for facilitating integrated and contextually significant learning in the classroom This updated second edition has been reorganized for thematic clarity and expanded to provide a stronger foundation for thinking theologically rather than just educationally about theological education It also contains a wider range of curricular examples from innovative theological programs around the world along with practical advice for implementing change in change resistant environments This handbook continues to be a one of a kind resource for theological educators and all those involved in Christian leadership training

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place

The Future of Baptist Higher Education Donald D. Schmeltekopf, Dianna M. Vitanza, 2006 The Future of Baptist Higher Education investigates four key issues that inform Baptist efforts at higher education the denominational conflict that has afflicted Baptists since the 1980s the secularization of higher education in America the dominance of the market driven tendencies in American higher education today and the meaning of Christian higher education but more specifically the meaning of Baptist higher education This volume clearly illustrates that the meaning of Baptist and Christian higher education as with the Christian life itself is far more complex than any one imperial interpretation

T&T Clark Handbook of Political Theology Rubén Rosario Rodríguez, 2019-10-03 The T and the contributors then build on previously discussed historical resources and methods to engage with contemporary issues and challenges emphasizing interreligious dialogue even while addressing concerns of relevance to a particular faith tradition The volume concludes with three essays that look at the future of political theology from the perspective of each Abrahamic religion Complete with select bibliographies for each topic this companion features the most current overview of political theology that will reach a broader global audience of students and scholars
