Wagner Nights

AN AMERICAN HISTORY

JOSEPH HOROWITZ

HOROWITZ

Wagner Nights

AN AMERICAN HISTORY

CALIFORNIA

"An accessible account and sensitive argument. This is not only a book about Wagner in America, but an informative discussion of the development of musical taste in the United States from the end of the nineteenth century to the present day. In so doing, it also examines contemporary theories of the evolution of cultural taste. Wagner Nights is a necessary examination of the relationship between music and society."

"Horowitz adds another to his list of important books on American musical culture. Wagner Nights suggests any previous writing on the history of American musical culture in the Gilded Age. It only for Horowitz's reconstruction of how the book would be of great value. And to have your friend, approach, to the essence of the 'grand tradition' of American America is a historical comp. Horowitz writes with solid scholarship and an extraordinarily fresh eye. There is without any doubt a readable account."

"Scholarship, account of Wagner Nights, who became America's premier composer of Wagner, and of the women of the Social Society who supported his work. It is in this case a complex and detailed as well as, some might say, Wagner's work, which helped the music industry to evolve. This important story tells from the roots of the existing paradigm of 'grand' but American music."

"Though Horowitz's Wagner Nights is a revelation, the longer the composer's work has been read, the more one is surprised by the degree of his later musical success. Horowitz's conclusions about why women turned to Wagner could not be more convincing, and are probably right. An insightful, brilliant book."

Wagner Nights An American History California Studies In 19th Century Music:

Wagner Nights Joseph Horowitz, 1994-01-01 On Wagner Nights sponsored by the Seidl Society the three thousand seat music pavilion was filled to capacity That most Wagnerites were women was a distinguishing feature of American Wagnerism Indeed America's Wagner cult constituted a vital aspect of fin de siècle ferment anticipating the New American Woman

Inside the Ring John Louis DiGaetani, 2015-03-14 Once tainted by association with Hitler and Nazism Richard Wagner's work has experienced an international cultural renaissance in the last 25 years His magnum opus *Der Ring des Nibelungen* which took him over 20 years to finish is a complex tale with themes of greed corruption and loss spun out in more than 16 hours of powerfully moving opera This book with provocative essays for both the uninitiated and the seasoned fan examines Wagner's Ring cycle from a wide array of modern perspectives Divided into six parts this anthology first offers a foundation for the Ring with a chronology and an introduction along with a look at Wagner as an enterprising marketer Part Two explores different interpretations of the Ring with reference to politics romanticism and international inspirations Part Three studies the complex relationship between Wagner's Ring and Germany with a summary of the opera's influence on German culture and a discussion of its Munich premiere Part Four offers a production history including studies of the Ring's effects in America and its influence on world literature Part Five provides a technical examination of language in the Ring as well as an interview with the famous Wagnerian soprano Jane Eaglen The book concludes with an essay on the trouble with Wagnerian opera and an overview of the recorded Ring on disc video and print

Beethoven after Napoleon Stephen Rumph, 2004-08-15 In this provocative analysis of Beethoven's late style Stephen Rumph demonstrates how deeply political events shaped the composer's music from his early enthusiasm for the French Revolution to his later entrenchment during the Napoleonic era Impressive in its breadth of research as well as for its devotion to interdisciplinary work in music history *Beethoven after Napoleon* challenges accepted views by illustrating the influence of German Romantic political thought in the formation of the artist's mature style Beethoven's political views Rumph argues were not quite as liberal as many have assumed While scholars agree that the works of the Napoleonic era such as the *Eroica* Symphony or *Fidelio* embody enlightened revolutionary ideals of progress freedom and humanism Beethoven's later works have attracted less political commentary Rumph contends that the later works show clear affinities with a native German ideology that exalted history religion and the organic totality of state and society He claims that as the Napoleonic Wars plunged Europe into political and economic turmoil Beethoven's growing antipathy to the French mirrored the experience of his Romantic contemporaries Rumph maintains that Beethoven's turn inward is no pessimistic retreat but a positive affirmation of new conservative ideals

Returning Cycles Charles Fisk, 2001 This compelling investigation of the later music of Franz Schubert explores the rich terrain of Schubert's impromptus and last piano sonatas Drawing on the relationships between these pieces and Schubert's *Winterreise* song cycle his earlier *Der Wanderer* the closely related *Unfinished Symphony* and his story of exile and

homecoming My Dream Charles Fisk explains how Schubert's view of his own life may well have shaped his music in the years shortly before his death Fisk's intimate portrayal of Schubert is based on evidence from the composer's own hand both verbal song texts and his written words and musical vocal and instrumental Noting extraordinary aspects of tonality structure and gestural content Fisk argues that through his music Schubert sought to alleviate his apparent sense of exile and his anticipation of early death Fisk supports this view through close analyses of the cyclic connections within and between the works he explores finding in them complex musical narratives that attempt to come to terms with mortality alienation hope and desire Fisk's knowledge of Schubert's life and music together with his astute and imaginative attention to musical detail helps him achieve one of the most difficult goals in music criticism to capture and verbalize the human content of instrumental music Nineteenth-century Literature ,1994 Decadent Enchantments Katherine

Bergeron,2023-04-28 The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron's engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origins in a community of French monks at Solesmes whose founder hoped to rebuild the moral foundation of French culture on the ruins of the Benedictine order She draws out the parallels between this longing for a lost liturgy and the postrevolutionary quest for lost monuments that fueled the French Gothic revival a quest that produced the modern concept of restoration Bergeron follows the technological development of the Gregorian restoration over a seventy year period as it passed from the private performances of a monastic choir into the public commodities of printed books photographs and Gramophone records She discusses such issues as architectural restoration the modern history of typography the uncanny power of the photographic image and the authority of recorded sound She also shows the extent to which different media shaped the modern image of the ancient repertory an image that gave rise to conflicting notions not only of musical performance but of the very idea of music history The oldest written tradition of European music the art we know as Gregorian chant is seen from an entirely new perspective in Katherine Bergeron's engaging and literate study Bergeron traces the history of the Gregorian revival from its Romantic origin *Journal of the American Liszt Society* American Liszt Society,2003 **Journal of the American Musicological Society** American Musicological Society,1998

Wagner Nights An American History California Studies In 19th Century Music Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play

a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Wagner Nights An American History California Studies In 19th Century Music free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Wagner Nights An American History California Studies In 19th Century Music. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Wagner Nights An American History California Studies In 19th Century Music any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Wagner Nights An American History California Studies In 19th Century Music Books
