a range of disciplines this handbook argues that despite often being overlooked or treated as marginal the study of Islam
from an African context is integral to the broader Muslim world Challenging the portrayal of African Muslims as passive
recipients of religious impetuses arriving from the outside this book shows how the continent has been a site for the
development of rich Islamic scholarship and religious discourses Over the course of the book the contributors reflect on The
history and infrastructure of Islam in Africa Politics and Islamic reform Gender youth and everyday life for African Muslims
New technologies media and popular culture Written by leading scholars in the field the contributions examine the
connections between Islam and broader sociopolitical developments across the continent demonstrating the important role of
religion in the everyday lives of Africans This book is an important and timely contribution to a subject that is often diffusely
