## SERVICE MANUAL

### IMPORTANT NOTICE

This manual has been provided for the use of trained YAMAHA Dealers and their service personnel. It has been written according to service procedures observed in the factory, and more specifically YAMAHA Products, as already known and indicated by the mark, and have therefore been omitted.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, deterioration of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service engineer alone.

**IMPORTANT:** The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable national regulations, or establish a professional relationship of any form.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The content, engineering, and service descriptions of YAMAHA are constantly evolving to improve YAMAHA products. Modifications, etc., therefore, alterations and specifications are subject to change without notice or obligation to users. Should any discrepancy appear to exist, please contact the Distributor Service Division.

**WARNING:** Do not disassemble this delivery explosive component. Discharge any static electricity from your body. Only after grounded by grounding yourself to the ground with the two-pointing ground block when working in this body.

**IMPORTANT:** Turn the main OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
