**Racers** Terry O'Neil, 2011 Runways and Racers focuses on sports car races held at military installations throughout America in the early 1950s. It was a marriage of convenience for the Sports Car Club of America and the Strategic Air Command with both parties gaining advantages from the arrangement. The thorn in the side turned out to be a Congressman whose own aspirations exceeded his standing but who found himself in a position to be able to influence the outcome of events.

Subaru Impreza Brian Long, 2006 Perceived as a replacement for the long running Leone, the Impreza quickly gained a great reputation through Subaru's successful WRC program. This book covers the full story of the Impreza from concept through to the current production car, looking at the rally machines along the way and illustrated throughout with contemporary material. Now with over 400 mainly color pictures and significant additional text, this is a fantastic work and all account of an amazing car.
