SERVICE MANUAL

RX-V850

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that these service personnel adhere to the industry, and more specifically YAMAHA, standards, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that all service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principal-agent relationship of any kind.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The research, engineering, and service departments of YAMAHA are unable to be held responsible for errors. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to consult. Should any discrepancy appear to exist, please contact the distributor's Service Division.

WARNING: These packages can destroy expensive components. Do not use any tools electrically grounded. Only use tools insulated for grounding. Grounded to the ground plane in the unit. Do not use any tools unless connected to this point.

IMPORTANT: Use the unit OFF during disassembly and parts replacement. Recheck all work before you apply power to the unit.
