They Call Me Carpenter A Tale Of The Second Coming:

They Call Me Carpenter: a Tale of the Second Coming Upton Sinclair, 2013-01-18 What would happen if Jesus came back Upton Sinclair 1878 1968 wrote over 90 books in several genres He was considered to be a leading social advocate Because of his novel *The Jungle* which dealt with conditions in the meat packing industry The Pure Food and Drug Act and the Meat Inspection Act were passed Sinclair's views on Christianity are clearly shown in *They Call Me Carpenter* Written in 1922 the setting is post World War 1 *They Call Me Carpenter* is the story of the second coming Christ returns to California and is again rejected An excerpt reads In the doorway of the room appeared the little boy who had been knocked down by the car He looked at Carpenter and then came towards him When Carpenter saw him a smile of welcome came upon his face he stretched out an arm and the little fellow nestled in it Other children appeared in the doorway and soon he had a group about him sitting on his knees and on the couch They were little gutter urchins but he seemingly was interested in knowing their names and their relationships what they learned in school and what games they played I think he had Bertie's foot ball crowd in mind for he said Some day they will teach you games of love and friendship instead of rivalry and strife *They Call Me Carpenter* Upton Sinclair, 1922 By using Jesus or Carpenter as Sinclair calls him as a literary figure Sinclair exposes the new and upcoming culture of 1920's Southern California namely Hollywood The story takes place in the fictional city of Western City and begins with a man named Billy being attacked by a mob outside of a theater after watching a German film Billy then stumbles into a church and is visited by Carpenter a k a Jesus who walks out of a stained glass window Carpenter is shocked and appalled by the upper class culture The story then roughly follows the biblical account of the Ministry of Jesus Christ In the end Carpenter decides to escape the corroded culture by jumping back into the stained glass window from whence he came *They Call Me Carpenter* Upton Sinclair, 2013-05-05 Upton Sinclair calls Christ the world's greatest revolutionary martyr Furthermore by a mere transition of some 2 000 years and by a series of incidents absolutely literal translations of Christ's life transplanted to America today Sinclair proves his point In doing so he has written a novel that provokes more than the ordinary amount of thought True it is highly sensational But Christ was a tremendous sensation in his own day Mobs big little friendly ugly attentive and jeering play a conspicuous part Much of the color and action of the story is most adroitly combined with dissertations by the author on modern problems In spite of them not because of them the scenes are lastingly impressive The characterization of Christ under modern conditions is at all times dominant to which brief flashes of the four apostles provide an interesting background the apostles coming from various types of modern men It is interesting to note that the author is so dubious of general knowledge of the Bible that he considers it necessary to prevent readers thinking the novel a joke to give in an appendix parallel references to pages in the story with the corresponding passages in the Bible
