They Saw Beyond Death Arvin S. Gibson, 2006-03 In this important book you will learn The problems associated with NDE research The religious impact of NDEs The difference between Mormon NDEs and other NDEs Why the LDS community has an inordinate interest in NDEs They Saw Beyond Death will change the way you view death and help you look forward to the next life with faith and hope By the author of Fingerprints of God Evidences from Near Death Studies Scientific Research on Creation and Mormon Theology

The Godhead: New Scriptural insights on the father the son and the Holy Ghost Duane S. Crowther, 2023-07-17 Carefully crafted precisely written and fully documented this doctrinal resource assembles an abundance of meaningful new scriptural patterns Have any questions about the nature of the Godhead Look no further The Godhead New Scriptural Insights on the Father the Son and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before Christian beliefs about God attributes and physical natures of Godhead members individual insights on God the Son God the Holy Ghost and God the Father and the ultimate objectives of divinity New doctrines No they've been in the scriptures for centuries But profound new insights By the hundreds The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity causing them to discount the many literal biblical statements concerning the nature of God Other major contributions of The Godhead include its numerous insights on premortal events its compilation of hundreds of scriptures showing the physical nature of God and its in depth scriptural demonstration that Jesus is Jehovah More key insights treat the essential attributes of Godhead members their spirit nature their threeness and oneness relationships the varied fatherhood roles of Jesus Christ the nature of glory Christ's roles among the Gods and how mankind can attain Godhood Author Duane S Crowther is widely known for his indepth doctrinal studies on many topics including his books Prophecy Key To the Future Life Everlasting and Prophets and Prophecies of the Old Testament Reincarnation J.L. North, 2024-08-06 Journey into the profound mysteries of reincarnation with J L North's insightful exploration of life death and the soul's continuous evolution Reincarnation The Eternal Cycle of Life delves deep into the concept of rebirth offering readers a unique blend of spiritual wisdom historical perspectives and modern interpretations This book guides you through the spiritual landscapes of ancient cultures from the sacred teachings of Hinduism and Buddhism to the esoteric philosophies of ancient Greece and Egypt It also sheds light on indigenous beliefs and contemporary understandings showing how the idea of reincarnation has shaped human thought across centuries Incorporating groundbreaking research including the enigmatic Phoenix Event an extraordinary cycle of global change occurring every 138 years North connects these phenomena to the soul's journey presenting a compelling case for how our lives are interconnected across time and space Through a combination of scientific inquiry and spiritual insight this book offers readers a path to understanding the significance of their current life within the broader tapestry of existence Whether you are a seasoned spiritual seeker or someone new to the

idea of reincarnation this book provides practical guidance on how to explore past lives integrate past life lessons into your present and navigate the ethical and existential questions that arise from the belief in an eternal soul Embrace the wisdom of your soul s journey and discover how the cycles of reincarnation can lead to a life filled with purpose growth and a deeper connection to the universe

LIFE AFTER DEATH DAVID SANDUA,2023-07-14 The book *Life After Death Scientific and Philosophical Viewpoints* is an in depth and thoughtful exploration of the concept of life after death It approaches this topic from multiple perspectives including religious scientific philosophical and cultural The religious view examines the beliefs of various religions about the afterlife and the role of faith The scientific view focuses on near death experiences and theories based on quantum physics The philosophical view explores the ideas of philosophers such as Plato and Aristotle as well as the concepts of dualism and monism It also addresses the concept of reincarnation the experience of death and the implications of accepting death He discusses criticisms of theories of the afterlife from atheistic and skeptical perspectives and how culture and technological advances may influence our beliefs about the afterlife This book is a thorough and thoughtful exploration of the concept of the afterlife inviting readers to question their own beliefs and assumptions about the meaning and purpose of life

Animals and the Afterlife Kim Sheridan,2006-02-01 Amazing true life stories of contact with pets in the next life Kim Sheridan grew up with animals as her constant companions Each time she faced the death of a beloved pet along with the pain came the same questions to which she could find no answers Then mysterious things began to happen that she couldn t explain which led her on an incredible journey to uncover the truth Along with her own extraordinary experiences she compiled heartwarming and meaningful true stories of everyday people around the world and discovered compelling evidence that forever erased her own doubts about an afterlife for animals This book provides enormous comfort and reassurance to anyone who has ever cherished a pet and food for thought for anyone who has ever questioned the place of these beloved creatures in the larger scheme of things both here on Earth and beyond

Out-of-Body and Near-Death Experiences Michael N. Marsh,2010-01-21 Discrediting mystical or psychical interpretations of out of body and near death experiences Michael Marsh demonstrates how these phenomena are explicable in terms of brain neurophysiology and its neuropathological disturbances and discusses the theological and philosophical implications of his hypotheses

God and the Afterlife Jeffrey Long,Paul Perry,2016-06-28 The New York Times bestselling author presents startling new evidence of God s existence based on the largest near death experience study in history In *Evidence of the Afterlife* Dr Jeffrey Long laid out a strong scientific case for life after death Now he goes further revealing evidence that a Supreme Being exists and there is amazing consistency in the accounts of what he is like Through his Near Death Experience Research Foundation Dr Long collected more than 4 000 reports from people of diverse backgrounds and religious traditions including nonbelievers who had credible near death experiences Some saw a bright light others went through a tunnel still others experienced a review of their life But many of the accounts shared a remarkably similar description of God a Supreme Being who radiated love and

grace Expanding on his analysis begun in Evidence of the Afterlife God and the Afterlife is the first intensive account of the people who have gone to the frontier of heaven met God and returned to share their journey Groundbreaking and profound it provides new insight into the human experience and expands our notions of mortality offering possibility hope and comfort

Near-Death Experiences Ornella Corazza,2008-06-30 Near death experiences fascinate everyone from theologians to sociologists and neuroscientists This groundbreaking book introduces the phenomenon of NDEs their personal impact and the dominant scientific explanations Taking a strikingly original cross cultural approach and incorporating new medical research it combines new theories of mind and body with contemporary research into how the brain functions Ornella Corazza analyses dualist models of mind and body discussing the main features of NDEs as reported by many people who have experienced them She studies the use of ketamine to reveal how characteristics of NDEs can be chemically induced without being close to death This evidence challenges the conventional survivalist hypothesis according to which the near death experience is a proof of the existence of an afterlife This remarkable book concludes that we need to move towards a more integrated view of embodiment in order to understand what human life is and also what it can be Ornella Corazza is a NDE researcher at the School of Oriental and African Studies SOAS University of London In 2004 5 she was a Member of the 21st Century Centre of Excellence COE Program on the Construction of Death and Life Studies at the University of Tokyo
