Library of the World's Best Literature, Ancient and Modern Charles Dudley Warner,Hamilton Wright Mabie,Mrs. Lucia Isabella (Gilbert) Runkle,George Henry Warner,1902 The Nature of Things Anthony M. Quinton,2019-03-07 Originally published in 1973 In this systematic treatise Anthony Quinton examines the concept of substance a philosophical refinement of the

everyday notion of a thing Four distinct but not unconnected problems about substance are identified what accounts for the individuality of a thing what confers identity on a thing what is the relation between a thing and its appearances and what kind of thing is fundamental in the sense that its existence is logically independent of that of any other kind of thing In Part 1 the first two problems are discussed while in Part 2 the third and fourth are considered Part 3 examines four kinds of thing that have been commonly held to be in some way non material abstract entities the un observable entities of scientific theory minds and their states and finally values The author argues that theoretical entities and mental states are in fact material He gives a linguistic account of universals and necessary truths and advances a naturalistic theory of value Things I Shouldn't Tell ,1924 *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1910 **The Truth of History** C. Behan McCullagh, 2002-11 Modern relativism and postmodern thought in culture and language challenge the truth of history This book considers how historians confined by argument of their own cultures can still discover truths about the past Newborn Socialist Things Laurence Coderre, 2021-06-28 Contemporary China is seen as a place of widespread commodification and consumerism while the preceding Maoist Cultural Revolution is typically understood as a time when goods were scarce and the state criticized what little consumption was possible Indeed with the exception of the likeness and words of Mao Zedong both the media and material culture of the Cultural Revolution are often characterized as a void out of which the postsocialist world of commodity consumption miraculously sprang fully formed In Newborn Socialist Things Laurence Coderre explores the material culture of the Cultural Revolution to show how it paved the way for commodification in contemporary China Examining objects ranging from retail counters and porcelain statuettes to textbooks and vanity mirrors she shows how the project of building socialism in China has always been intimately bound up with consumption By focusing on these objects or newborn socialist things along with the Cultural Revolution's media environment discourses of materiality and political economy Coderre reconfigures understandings of the origins of present day China **Three Books of Occult Philosophy** Heinrich Cornelius Agrippa, 2021-11-23 Three hardcover volumes in slipcase Corrects the many mistranslations copyist mistakes and errors introduced from other editions drawing on new research and access to Agrippa's source texts Restores all of Agrippa's original illustrations Presents a nearly complete bibliography of Agrippa's primary sources One of the most important texts in the Western magical tradition for nearly 500 years Heinrich Cornelius Agrippa's 1533 work *Three Books of Occult Philosophy* collates a multitude of sources from the Classical Medieval and Renaissance periods and organizes them into a coherent explanation of the magical world Divided into three parts the natural world the celestial world and the divine world the book systematically explains the philosophy logic and methods of magic and astrology and how they work The basis for 19th century magical orders such as the Golden Dawn and a primary source for countless books on magical uses of stones herbs incense and astrology Agrippa's many lists and diagrams have proven invaluable to magicians since the 16th century Yet until now all English editions of Agrippa's

Three Books were based on the same flawed 1651 translation from the mysterious J F In this new translation from the original 1533 Latin edition Eric Purdue corrects the many mistranslations copyist mistakes and errors introduced from other editions as well as restores all of Agrippa s original illustrations Purdue notates every correction and offers commentary drawing on major developments in the research of older magical and astrological texts He also presents a nearly complete bibliography of Agrippa s primary sources revealing Agrippa as a mainstream scholar of his day Presenting the first new English translation of Three Books of Occult Philosophy in more than 350 years this three volume hardcover boxed set repairs the gaps in knowledge pervasive in the original translation and restores the magical spirit of Agrippa s masterpiece allowing us to hear Agrippa speak again **The Second Death and the Restitution of All Things** Andrew John Jukes,1878 A Practical Discourse Concerning Death William Sherlock,1739
