Three Across The Great Transatlantic Air Race Of 1927:

Three Across Norman H. Finkelstein, 2008 During the summer of 1927 three pilots prepared for a historic journey from Long Island s Roosevelt Field a nonstop flight between New York and Paris This work chronicles the daring feats of these courageous adventurers and the aftermath of their flights Photos *Boost Your STEAM Program with Great Literature and Activities* Liz Knowles, Martha Smith, 2018-06-01 You ve created a STEAM program in your library but how do you work literacy into the curriculum With this collection of resource recommendations direction for program development and activities you ll have students reading proficiently in no time Many schools and libraries are implementing STEAM programs in the school library makerspace to promote problem solving by allowing students to create their own solutions to a problem through trial and error In order to enhance literacy development in the STEAM program however they need resources for integrating literature into the curriculum In this collection of resources for doing just that veteran education professionals and practiced coauthors Liz Knowles and Martha Smith bring readers over eight hundred recommended and annotated books and web resources selected based on research on successfully integrating STEAM and literacy programs and organized by the five STEAM areas Titles are complemented by discussion questions and problem solving activities that will aid educators in both adding and using the best literature to their STEAM programs for encouraging learning In addition to promoting literacy these resources will help to develop creativity lateral thinking skills and confidence in students **The Common Core Approach to Building Literacy in Boys** Liz Knowles, Martha Smith, 2014-05-27 Written with a focus on the English Language Arts Common Core Standards this book provides a complete plan for developing a literacy program that focuses on boys pre K through grade 12 Despite the fact that reading and literacy among boys has been an area of concern for years this issue remains unresolved today Additionally the emphasis and focus have changed due to the implementation of the English Language Arts Common Core Standards How can educators best encourage male students to read and what new technologies and techniques can serve this objective The Common Core Approach to Building Literacy in Boys is an essential resource and reference for teachers librarians and parents seeking to encourage reading in boys from preschool to 12th grade Providing a wide array of useful up to date information that emphasizes the English Language Arts Common Core Standards the bibliographies and descriptions of effective strategies in this book will enable you to boost reading interest and performance in boys The chapters cover 16 different topics of interest to boys all accompanied by a complete bibliography for each subject area discussion questions writing connections and annotated new and classic nonfiction titles Information on specific magazines annotated professional titles books made into film websites and apps that will help you get boys interested in reading is also included **Schools of Hope** Norman H. Finkelstein, 2014-04-01 When Booker T Washington the famed African American educator asked Julius Rosenwald the wealthy president of Sears Roebuck and Company and noted philanthropist to help him build well designed and fully equipped schools for black children the face of education in the

South changed for the better It was the early 1900s a time of discrimination racial segregation and inadequate education for African Americans Rosenwald created a special fund that in just twenty years built more than 5 300 schools attended by 600 000 black students In this inspiring story noted nonfiction writer Norman H Finkelstein spotlights one man s legacy and the power of community action Includes quotations a detailed bibliography and index **Becoming Ezra Jack Keats** Virginia McGee Butler,2023-02-22 Winner of the 2024 Adult Nonfiction Award from the Mississippi Library Association **Becoming Ezra Jack Keats** offers the first complete biography of acclaimed children s author and illustrator Ezra Jack Keats 1916 1983 intended for adult readers Drawing extensively from his unpublished autobiography and letters **Becoming Ezra Jack Keats** covers the breadth of Keats s life taking readers through his early years as the child of immigrant parents his introduction to illustration and writing and the full arc of his remarkable career Beyond a standard biography this volume presents a time capsule of the political social and economic issues evolving during the span of Keats s lifetime It also addresses his trailblazing commitment to representation and diversity most notably in his work *The Snowy Day* which won the Caldecott Medal as the first full color picture book to feature a Black child as the protagonist Keats far surpassed his father s prediction that he would be a starving artist Instead as shown in **Becoming Ezra Jack Keats** he is now regarded as one of the most influential figures in children s literature having published twenty two books translated into sixteen languages all featuring the diversity he saw in the children outside the window of his Brooklyn studio 1927 Thomas S. Hischak,2019-06-12 The first solo transatlantic flight The release of the first talking picture The invention of the jukebox These are just a handful of milestones that occurred in one momentous year In a decade of historic firsts 1927 stands out as the peak year of the Roaring Twenties a span of time in which dozens of significant events took place in America and around the world The economy was booming the Jazz Age was in full swing social mores were looser than ever and the nation was celebrating new dances gadgets and heroes In sports records were broken and several champions in different fields thrilled fans with outstanding feats In 1927 *A Day by Day Chronicle of the Jazz Age s Greatest Year* Thomas S Hischak provides a daily account of this pivotal period in history Every major news story on the national and international stage is accounted for from popular culture phenomena to minor news items that would prove to be more important later In addition to Charles Lindbergh s historic flight the book recounts such events as the discovery of the Peking Man the execution of Sacco and Vanzetti the Shanghai Massacre the Great Mississippi River Flood and the advent of talking pictures with the arrival of *The Jazz Singer* From the world of entertainment the debut of the classic musical *Show Boat* and the formation of the Academy of Motion Picture Arts and Sciences to headlines that gripped the country this book focuses on a diverse and complicated year Scattered throughout the book are interesting statistics and pieces of information regarding life during this era Highlighting the people inventions discoveries and milestones that made these twelve months so special 1927 will appeal to armchair historians everywhere **Atlantic Fever** Joe Jackson,2012-05-08 For five weeks from April 14 to May 21 1927 the world

held its breath while fourteen aviators took to the air to capture the 25 000 prize that Raymond Orteig offered to the first man to cross the Atlantic Ocean without stopping Joe Jackson s Atlantic Fever is about this race a milestone in American history whose story has never been fully told Delving into the lives of the big name competitors the polar explorer Richard Byrd the French war hero Ren Fonck the millionaire Charles Levine and the race s eventual winner the enigmatic Charles Lindbergh as well as those whose names have been forgotten by history such as Bernt Balchen Stanton Wooster and Clarence Chamberlin Jackson brings a completely fresh and original perspective to the race to conquer the Atlantic Atlantic Fever opens for us one of those magical windows onto a moment when the nexus of technology innovation character and spirit led so many contenders from different parts of the world to be on the cusp of the exact same achievement at the exact same time *The Almanac of Airpower* Air Force Association,1989 **The Big Jump** Richard Bak,2011-06-24 The trans Atlantic air race of 1927 and the flight that made Charles Lindbergh a hero The race to make the first nonstop flight between the New York and Paris attracted some of the most famous and seasoned aviators of the day yet it was the young and lesser known Charles Lindbergh who won the 25 000 Orteig Prize in 1927 for his history making solo flight in the Spirit of St Louis Drawing on many previously overlooked sources Bak offers a fresh look at the personalities that made up this epic air race a deadly competition that culminated in one of the twentieth century s most thrilling personal achievements and turned Charles Lindbergh into the first international hero of the modern age Examines the extraordinary life and cultural impact of Charles Lindbergh one of the iconic figures of the twentieth century and his legendary trans Atlantic flight that captured the world s imagination Explores the romance of flying during aviation s Golden Age of the 1920s the enduring mystique of the aviator and rapid technological advances that made for a paradigm shift in human perception of the world Filled with colorful characters from early aviation history including Charles Nungesser Igor Sikorsky Ren Fonck Richard Byrd and Paul Tarascon History and the imagination take flight in this gripping account of high flying adventure in which a group of courageous men tested the both limits of technology and the power of nature in pursuit of one of mankind s boldest dreams *The World of Ham Radio, 1901-1950* Richard A. Bartlett,2015-01-28 During the first fifty years of the twentieth century ham radio went from being an experiment to virtually an art form Because of the few government restrictions and the low monetary investment required the concept of ham radio appealed to various people More than just a simple hobby however ham radio required its operators to understand radio theory be able to trace a schematic and know how to build a transmitter and receiver with whatever material they might have available With the advent of World War II and the increased need for cutting edge communications the United States government drew upon the knowledge and skill of these amateur ham radio operators This book explores the history of ham radio operators emphasizing their social history and their many contributions to the technological development of worldwide communications It traces the concept of relays including the American Radio Relay League from contacts as close as 25 miles apart to operators anywhere in the world The book highlights the part

played by ham radio in many of the headline events of the half century especially exploration and aviation firsts The ways in which these primarily amateur operators assisted in times of disaster including such events as the sinking of the Titanic and the 1937 Ohio River flood are also examined *Fifty Years of Aviation Progress* United States.
