have never tucked trouser into sock or thermos into backpack The routes are mainly themed around different aspects of local history or culture and reflect an eclectic and unstuffy attitude toward heritage So while there is space for apparently venerable stuff like castles churches and old or even olde pubs the themes also include puppet TV shows grimy waterways brick making yards eccentric pagan people posh schools prostitutes and punk rock writers The author has lived in the town for 25 years and used to run a travel company that sent groups of walkers to many attractive destinations in Europe though not to Slough itself
