The Person & Work of the Holy Spirit R. A. Torrey, 2007-12-01 One of the most influential evangelical Christian speakers of the late 19th and early 20th centuries R A Torrey traveled the world to bring the word of Christ to audiences Here in a work first published in 1900 Torrey encourages the faithful to develop a more meaningful relationship with what is perhaps the most enigmatic and most misunderstood member of the Trinity the Holy Spirit Positive and heartening and filled with the author s own personal experiences with the Holy Spirit this is still a valuable resource for Christians who wish to learn the distinction of the Holy Spirit from the Father and Son the subordination of the Spirit to the Father and Son the names of the Holy Spirit the Holy Spirit s work in the material universe the regenerating work of the Holy Spirit the Holy Spirit bringing forth Christlike graces of character the Holy Spirit and the believer s body the work of the Holy Spirit in Jesus Christ and much more American pastor and writer REUBEN ARCHER TORREY 1856 1928 is the author of more than 40 books including Baptism with the Holy Spirit 1895 What the Bible Teaches 1898 How to Bring Them to Christ 1893 and How to Pray 1900

What difference should doctrine make on our day to day Christian life This book summarizes Christianity in 5 core truths the Trinity the Son of God the Spirit the church and heaven and hell to show how theology is intended to bring people closer to God Drawing from writers throughout church history particularly St Augustine Richard Baxter and C S Lewis this book summarizes the building blocks of pure Christianity and how they shape minds hearts and actions so readers can know simply and concisely what it means to live for God Embodied Holiness Lainey Greer,2025-10-15

In Embodied Holiness Lainey Greer exposes the roots of body neglecting beliefs and calls Christians to embrace physical well being as part of their witness and worship *A Virtue Ethical View of Trinitarian Sanctification* Ronald M. Rothenberg,2014-07-02

The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son s example that is to be imitated by the believer through habituation and reciprocity by the Spirit s leading and 3 believers are led by the Spirit s intercession into prayer Rom 8 14 16 26 27 to be helped through the Son s priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and

Vondey,2014-02-20 Twelve scholars from the biblical historical theological and philosophical disciplines engage in a conversation on the transforming work of the Holy Spirit in the Christian life The essays are held together by an enduring focus and concern to explore the relationship between the work of the Holy Spirit and Christian formation discipleship personal and social transformation The book points toward the integration of theory and practice theology and spirituality and the mutual interest in fostering dialogue across disciplines and ecclesial traditions How to Bring Them to Christ Reuben Archer Torrey,2007-05-01 Many Christians are eager to spread the Word but are unsure where to begin or how to confront strangers Evangelist R A Torrey s How to Bring Them to Christ written in a timeless fashion more than one hundred years ago shows the way Anticipating reactions from apathy and doubt to disdain Torrey offers specific suggestions for dealing with the indifferent the openhearted the self righteous the uncertain and the skeptical as well as the many objections excuses and difficulties the average soulwinner might encounter Torrey tackles each issue point by point offering encouragement and helpfully including examples from his own experiences and verses from the Bible that can be used to bolster arguments Includes 16 Helpful Soulwinning Hints American pastor and writer REUBEN ARCHER TORREY 1856 1928 traveled worldwide evangelizing and winning converts to Christianity A prolific writer his works include Baptism with the Holy Spirit 1895 What the Bible Teaches 1898 and How to Pray 1900 **Inside Out** David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him Unity and the Holy Spirit John E. Hare,2023 John E Hare investigates the work of the Holy Spirit in the world He proposes that the Spirit aims at unity of four different kinds unity between us and the material world unity within us unity between us and others and unity between us and God The book ends by asking why the Spirit aims at unity and the answer is that the Spirit loves **The Spirit in Redemption** George Shaw,2006-05-01 The field of consciousness is a difficult one to explore It is also difficult to go outside one s own consciousness in the discussion of those inner states of subjective religion Consciousness differs in individuals Therefore there is much confusion among the people concerning the witness of the Spirit to salvation Some speak of it as an outward voice speaking to the soul or as an inward voice Some Christians seem to get a much clearer witness than others and that leads earnest souls to doubt their acceptance with God because they have not had that vision at conversion that some Christians claim to have had from The Witness of the Spirit More devotional than academic this collection of ponderings on the Gospel endeavor to give the Holy Spirit his rightful place in Christian theology The Spirit has not been honored as He should have been Shaw writes in his Preface and dedicates

his thoughtful essays to examining the Holy Spirit's role in an individual's faith from the Spirit's role in offering repentance and extending temptation to how a believer can better pray to the Spirit and how one can be led by the Spirit to a place of greater holiness First published in 1910 this is a beautiful work of piety that will inspire Christians to renew their relationship with an important figure of the faith OF INTEREST TO Christian scholars readers of religious philosophy seekers after wisdom GEORGE SHAW b 1870 was dean of the School of Theology at Central Holiness University He is also the author of *Acquainted with Grief* 1906 and *The Conflict of Jesus* 1916 **Occultism and Parapsychology. Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non-Christians Have you ever theologically considered the work of non-Christians at all Is it possible that God would ever give credence to let alone honor the work of non-Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome *The Good Work of Non-Christians Empowerment and the New Creation* attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non-Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against
