

The Yorkist Age

DAILY LIFE DURING THE
WARS OF THE ROSES

Paul Murray Kendall

Author of Richard the Third

"Marvelously detailed panorama of the fifteenth century. . . . From beginning to end it is unfailingly interesting and alive. . . . Wide and deep learning has gone into the making of this book. . . . This is social history at its best."

—C. V. Wedgwood

The Yorkist Age Daily Life During The Wars Of The Roses

**Frederic A. Youngs, Henry Leonard
Snyder, Earl Aaron Reitan**

The Yorkist Age Daily Life During The Wars Of The Roses:

The Yorkist Age Paul Murray Kendall, 1962 A study of daily life in fifteenth century England *Yorkist Age Daily Life During the Wars of the Roses. Bib* P. M. KENDALL, 1962 **Excerpts from the Yorkist Age**, 1962 *Historical Dictionary of Late Medieval England, 1272-1485* Ronald H. Fritze, William B. Robison, 2002-03-30 Providing the chronological setting for many of Shakespeare's plays various swashbuckling novels from Sir Walter Scott's to Robert Louis Stevenson's and such Hollywood films as Braveheart late Medieval England is superficially well known Yet its true complexity remains elusive locked in the covers of specialized monographs and journal articles In over 300 entries written by 80 scholars this book makes the factual information and historical interpretations of the era readily available Covering political military religious and constitutional subjects as well as social and economic topics the volume is easy to use comprehensive and authoritative It provides a useful resource for undergraduate and graduate students scholars and educated laymen Rightly characterized as an age of crisis the 14th century saw the Hundred Years War the Black Death the Peasants Revolt of 1381 the Avignon Papacy and the Great Schism of the Western Church All placed great stresses on English society aggravating old problems and creating new ones In the late Middle Ages parliament became an important element in English government Cambridge and Oxford universities attained European wide reputations and general literacy increased The Church remained a paramount religious political and social institution but its independence and intellectual monopoly slipped The entries in this book synthesize recent scholarship on these and other historical events While emphasizing political religious constitutional and military topics the book also provides brief introductions to social economic cultural and intellectual topics It is a valuable guide for those wishing to understand this complex tumultuous and until recently poorly understood era **Soul of the Age** Paul Hemenway Altrocchi, MD, 2014-08-21 The greatest cultural mystery in the Western World is Who wrote the plays and sonnets published under the pen name of William Shakespeare For reasons of monarchical succession greed and power Robert Cecil Queen Elizabeth's chief counselor forced Edward de Vere 17th Earl of Oxford to use a pseudonym for his great works De Vere chose the pen name William Shakespeare Because of his similar name Cecil selected Will Shakspeare of Stratford on Avon as the fraudulent front man Poor choice Shakspeare was uneducated never owned a book never traveled abroad knew no foreign languages and could not read or write Because of the tenacious grip of Conventional Wisdom professors of English still believe Cecil's hoax 400 years later clinging futilely to their Stratford Man despite abundant evidence against their illogical theory Soul of the Age contains 28 high quality articles by a remarkable new generation of authorship experts who clearly establish de Vere as Shakespeare and annihilate the illiterate Will Shakspeare's candidacy Hugh Trevor Roper Professor of History Oxford University 1962 Armies of scholars formidably equipped have examined all the documents which could possibly contain at least a mention of his Shakespeare's name One hundredth part of this labour applied to one of his insignificant contemporaries would be sufficient to produce a substantial biography And yet the greatest

of all Englishmen after this tremendous inquisition still remains so close a mystery that even his identity can still be doubted During his lifetime nobody claimed to know him Not a single tribute was paid to him at his death As far as the records go he was uneducated had no literary friends possessed at his death no books and could not write It is true six of his signatures have been found all spelt differently but they are so ill formed that some graphologists suppose the hand to have been guided Except for these signatures no syllable of writing by Shakespeare Shakspeare has been identified Such is the best the historians can do Clearly it is not enough It may be the shell it is not the man *Lost Legend of the Thryberg Hawk* Jack Holroyd,2014-08-04 Marksmanship skills honed to perfection driven by necessity and desperation Edmund Hawksworth hunted with his crossbow to keep his ailing mother alive only to have her die in his arms Deserted by his father who had left to fight the Lancastrian cause the embittered and determined lad set out on a mission of vengeance and became embroiled in the bitter struggle for the throne of England between the Houses of Lancaster and York There were those in 1461 who avowed that Edmund had been divinely chosen and anointed to be the Avenger of Righteous Blood something the boy himself never claimed What is certain in command of the Wespen Wasps an elite unit of crossbow mercenaries he turned events in York's favour at the decisive Battle of Towton Despite protests from Yorkist lords King Edward IV himself a youth of eighteen gave the accolade to the former herder of pigs from Thryberg declaring him to be The truest and most loyal knight in all England With the end of the Plantagenet dynasty and the ascent of the Lancastrian Tudors the many stories of the Yorkist boy hero were suppressed However for fifty years fanciful tales of The Hawk lingered on in the towns and villages of the West Riding of Yorkshire until in 1509 Edmund's brother arrived in chains at Conisbrough Castle Before his burning in Doncaster Fish Market the condemned heretic tells the true story of the Lost Legend of the Hawk **Battle of Bosworth** Michael Bennett,2000-02-17 On an August morning more than five hundred years ago to the sound of thundering hooves gunshot the clash of steel and the cries of men in battle Richard III King of England lost his life and the Plantagenet name came to an end But what do we really know of the battle which became known as Bosworth Field How do we separate fact from legend when our knowledge is based on sources which by any reckoning are meagre garbled or partisan In this classic account Michael Bennett provides as detailed and authoritative a reconstruction of the battle and the events that led up to it as is possible It is an enthralling detective story uncovering the real facts behind one of the most famous of British battles **The English Heritage: To 1714** Frederic A. Youngs, Henry Leonard Snyder, Earl Aaron Reitan, 1988 **The Illustrated London News**, 1888 To Prove a Villain: the Case of King Richard III Taylor Littleton, Robert Right Rea, 1964 Book Review Digest, 1963 *History*, 1962 Chronological coverage with articles on social political cultural economic and ecclesiastical history Book Review Section provides up to date critical analyses of up to 600 titles in each volume *Among Friends*, 1960 **The Reader's Adviser**, 1986 Women in Western European History: From antiquity to the French Revolution Linda Frey, Marsha Frey, Joanne Schneider, 1982 A Bibliography of British Military History Anthony Peter Charles Bruce, 1981

No detailed description available for A bibliography of British military history **Adult Catalog: Subjects** Los Angeles
County Public Library,1970 *History of the Renaissance: Economy and society* Emil Lucki,1963 **Social Sciences &**
Humanities Index ,1962 **Books for Secondary School Libraries** National Association of Independent Schools,1976
