The Young Napoleon The Life And Legacy Of George B McClellan:

The Young Napoleon Charles River Editors, 2025-05-05 McClellan is to me one of the mysteries of the war Ulysses S Grant Over the last 150 years historians and Americans have endlessly debated over the Civil War including its causes and the best and worst generals Nowhere has there been a sharper debate than over the career and legacy of George McClellan with a majority viewing him as the North's biggest goat and a small but vocal minority insisting that McClellan was a very good general who was made a scapegoat by the Lincoln Administration and its supporters Many members of the McClellan Society continue to assert that McClellan would have ended the war in 1862 without the Administration's interference In 1861 McClellan was looked upon as a hero and even possibly a savior Dubbed The Young Napoleon the 35 year old had been a prodigy at West Point finishing in second place in the Academy's most famous class the Class of 1846 After earning praise for his service in the Mexican American War McClellan had a short but successful career in the railroad industry and had been a foreign observer at the siege of Sevastopol during the Crimean War At the outbreak of the Civil War there was no question that McClellan was one of the brightest and most experienced of the North's generals Ultimately of course McClellan went from hero to goat at least in the eyes of President Lincoln who famously wrote that McClellan has the slows It was a sharp critique of McClellan's cautious movements but McClellan was also faulted for conservative battlefield leadership in the Peninsula Campaign and at Antietam McClellan also constantly overestimated his opponent's manpower at times thinking the Confederates had double his Army of the Potomac when the exact opposite was the case It was after Antietam and his bickering with the War Department over why he wasn't chasing Lee's battered Army of Northern Virginia that Lincoln finally sacked him effectively ending his Civil War career McClellan is best remembered for 1862 but he was also a Governor of New Jersey Lincoln's opponent in the 1864 presidential election and a writer seeking to reestablish his reputation before his untimely death The Young Napoleon addresses the controversies and battles McClellan fought both on and off the field but it also humanizes a man who was almost universally loved by the veterans of the Army of the Potomac and who wrote his most candid remarks to his wife Along with pictures of McClellan and other important people places and events in his life you will learn about the Young Napoleon like you never have before in no time at all The Young Napoleon Charles River Charles River Editors, Charles River, 2017-06-22 Includes pictures of McClellan and other important people places and events in his life Includes maps of battles like Antietam McClellan is to me one of the mysteries of the war Ulysses S Grant Over the last 150 years historians and Americans have endlessly debated over the Civil War including its causes and the best and worst generals Nowhere has there been a sharper debate than over the career and legacy of George McClellan with a majority viewing him as the North's biggest goat and a small but vocal minority insisting that McClellan was a very good general who was made a scapegoat by the Lincoln Administration and its supporters Many members of the McClellan Society continue to assert that McClellan would have ended the war in 1862 without the Administration's

interference In 1861 McClellan was looked upon as a hero and even possibly a savior Dubbed The Young Napoleon the 35 year old had been a prodigy at West Point finishing in second place in the Academy s most famous class the Class of 1846 After earning praise for his service in the Mexican American War McClellan had a short but successful career in the railroad industry and had been a foreign observer at the siege of Sevastopol during the Crimean War At the outbreak of the Civil War there was no question that McClellan was one of the brightest and most experienced of the North s generals Ultimately of course McClellan went from hero to goat at least in the eyes of President Lincoln who famously wrote that McClellan has the slows It was a sharp critique of McClellan s cautious movements but McClellan was also faulted for conservative battlefield leadership in the Peninsula Campaign and at Antietam McClellan also constantly overestimated his opponent s manpower at times thinking the Confederates had double his Army of the Potomac when the exact opposite was the case It was after Antietam and his bickering with the War Department over why he wasn t chasing Lee s battered Army of Northern Virginia that Lincoln finally sacked him effectively ending his Civil War career McClellan is best remembered for 1862 but he was also a Governor of New Jersey Lincoln s opponent in the 1864 presidential election and a writer seeking to reestablish his reputation before his untimely death The Young Napoleon addresses the controversies and battles McClellan fought both on and off the field but it also humanizes a man who was almost universally loved by the veterans of the Army of the Potomac and who wrote his most candid remarks to his wife Along with pictures of McClellan and other important people places and events in his life you will learn about the Young Napoleon like you never have before in no time at all The Young Napoleon: the Life and Legacy of George B. McClellan Charles River Charles River Editors,2013-09-02 Includes pictures of McClellan and other important people places and events in his life Includes maps of battles like Antietam McClellan is to me one of the mysteries of the war Ulysses S Grant Over the last 150 years historians and Americans have endlessly debated over the Civil War including its causes and the best and worst generals Nowhere has there been a sharper debate than over the career and legacy of George McClellan with a majority viewing him as the North s biggest goat and a small but vocal minority insisting that McClellan was a very good general who was made a scapegoat by the Lincoln Administration and its supporters Many members of the McClellan Society continue to assert that McClellan would have ended the war in 1862 without the Administration s interference In 1861 McClellan was looked upon as a hero and even possibly a savior Dubbed The Young Napoleon the 35 year old had been a prodigy at West Point finishing in second place in the Academy s most famous class the Class of 1846 After earning praise for his service in the Mexican American War McClellan had a short but successful career in the railroad industry and had been a foreign observer at the siege of Sevastopol during the Crimean War At the outbreak of the Civil War there was no question that McClellan was one of the brightest and most experienced of the North s generals Ultimately of course McClellan went from hero to goat at least in the eyes of President Lincoln who famously wrote that McClellan has the slows It was a sharp critique of McClellan s cautious movements but McClellan was

also faulted for conservative battlefield leadership in the Peninsula Campaign and at Antietam McClellan also constantly overestimated his opponent's manpower at times thinking the Confederates had double his Army of the Potomac when the exact opposite was the case. It was after Antietam and his bickering with the War Department over why he wasn't chasing Lee's battered Army of Northern Virginia that Lincoln finally sacked him effectively ending his Civil War career. McClellan is best remembered for 1862 but he was also a Governor of New Jersey, Lincoln's opponent in the 1864 presidential election and a writer seeking to reestablish his reputation before his untimely death. The Young Napoleon addresses the controversies and battles McClellan fought both on and off the field but it also humanizes a man who was almost universally loved by the veterans of the Army of the Potomac and who wrote his most candid remarks to his wife. Along with pictures of McClellan and other important people, places and events in his life you will learn about the Young Napoleon like you never have before in no time at all.

A Legacy of Valor Henry Newton Comey, 2004. An educated young man, his observations and political commentary reflect his evolution from eager young private to hardened veteran. Jacket.

George B. McClellan and Civil War History Thomas J. Rowland, 1998. Perhaps no other Union commander's legacy in the Civil War has been the subject of as much controversy as George B. McClellan's. Since the midpoint of this century, however, he has emerged as the complex general who, though gifted with administrative and organizational skills, was unable and unwilling to fight with the splendid army he had created. Thomas J. Rowland argues that this interpretation rests squarely within the context of general historical verdicts of the way in which the North eventually triumphed. Civil War scholars have found the quality of Union leadership in the early years of the war wanting and that it was not until U.S. Grant and W.T. Sherman emerged that success was ensured. On the other hand, Grant and Sherman knew failure but were judged less harshly than was McClellan. In *George B. McClellan and Civil War History*, Rowland presents a framework in which early Civil War command can be viewed without direct comparison to that of the final two years.

George B. McClellan Stephen W. Sears, 2014-12-09. Sears has finally unraveled the mystique of this complex brilliant Civil War general. A fascinating story. James M. McPherson, author of *Battle Cry of Freedom*, Commander of the Northern army in the Civil War. Gen. George McClellan saw himself as God's chosen instrument for saving the Union. Self-aggrandizing with a streak of arrogant stubbornness, he set himself above President Lincoln, whom he privately called the Gorilla. To the young Napoleon as McClellan's troops dubbed him, abolition was an accursed doctrine. Fond of conspiracy plots, he insisted that the Lincoln administration had traitorously conspired to set him up for military defeat. Although he constantly anticipated one big decisive battle that would crush the South, he squandered one military opportunity after another and, if Sears is correct, he was the worst strategist the Army of the Potomac ever had. Based on primary sources, letters, dispatches, books, diaries, newspapers, this masterly biography is an astonishing portrait of an egotistical crank who could snatch defeat from the jaws of victory. Publishers Weekly. Engagingly written and thoroughly researched. Sears's persuasive critique is the best and most complete biography of this controversial general. Library Journal. The best

biography of McClellan ever published Sears uses intensive research including new material to document the tormented wasted military career of a talented man The enigma of McClellan has never been explained so well Historians should be grateful The Washington Post Book World **Union Warriors at Sunset** Allie Stuart Povall,2022-11-11 Ulysses S Grant was appointed general in chief of the U S Army after the Civil War and served two terms as president His former subordinates Philip Henry Sheridan and William Tecumseh Sherman also served as generals in chief Sherman indulging his passion for young women until his death Two other former generals ran for president one against his old commander Grant Joshua Lawrence Chamberlain the hero of Gettysburg became president of Bowdoin College and served as governor of Maine George Armstrong Custer found the immortality that had eluded him during the War at Little Big Horn Chronicling the sunset years of 20 Union generals this book details their attempts to resume productive lives in the aftermath of America's defining cataclysm **Legacy of Disunion** Susan Mary Grant,Peter J. Parish,2003-03-01 The conviction that the American Civil War left a massive legacy to the country has generally been much clearer than the definition of what that legacy is Did the war as Ulysses S Grant believed bequeath power intelligence and sectional harmony to America or did it as many have argued since sow racial and regional bitterness that has blighted the nation since 1865 What exactly was the legacy of disunion This collection explores that question from a variety of angles showcasing the work of twelve scholars from the United States and the United Kingdom The essays ponder the role of history myth and media in sustaining the memory of the war and its racial implications in the South Abraham Lincoln's legacy and the war's consequences in less studied areas such as civil military relations constitutional and legal history and America's ascent on the international stage By juxtaposing American and non American interpretations this stimulating volume sheds light on aspects of the war's legacy that from a purely American viewpoint are sometimes too close for comfort Perhaps the greatest legacy of the Civil War is its ongoing debate and continuing fascination worldwide **The Antietam Campaign** Gary W. Gallagher,2012-01-01 The Maryland campaign of September 1862 ranks among the most important military operations of the American Civil War Crucial political diplomatic and military issues were at stake as Robert E Lee and George B McClellan maneuvered and fought in the western part of the state The climactic clash came on September 17 at the battle of Antietam where more than 23 000 men fell in the single bloodiest day of the war Approaching topics related to Lee's and McClellan's operations from a variety of perspectives contributors to this volume explore questions regarding military leadership strategy and tactics the impact of the fighting on officers and soldiers in both armies and the ways in which participants and people behind the lines interpreted and remembered the campaign They also discuss the performance of untried military units and offer a look at how the United States Army used the Antietam battlefield as an outdoor classroom for its officers in the early twentieth century The contributors are William A Blair Keith S Bohannon Peter S Carmichael Gary W Gallagher Lesley J Gordon D Scott Hartwig Robert E L Krick Robert K Krick Carol Reardon and Brooks D Simpson *A Fierce Glory* Justin Martin,2018-09-11 On

September 17 1862 the United States was on the brink facing a permanent split into two separate nations America's very future hung on the outcome of a single battle and the result reverberates to this day Given the deep divisions that still rive the nation given what unites the country too Antietam is more relevant now than ever The epic battle fought near Sharpsburg Maryland was a Civil War turning point The South had just launched its first invasion of the North victory for Robert E Lee would almost certainly have ended the war on Confederate terms If the Union prevailed Lincoln stood ready to issue the Emancipation Proclamation He knew that freeing the slaves would lend renewed energy and lofty purpose to the North's war effort Lincoln needed a victory to save the divided country but victory would come at a price Detailed here is the cannon din and desperation the horrors and heroes of this monumental battle one that killed 3 650 soldiers still the highest single day toll in American history Justin Martin an acclaimed writer of narrative nonfiction renders this landmark event in a revealing new way More than in previous accounts Lincoln is laced deeply into the story Antietam represents Lincoln at his finest as the grief-racked president struggling with the recent death of his son Willie summoned the guile necessary to manage his reluctant general George McClellan The Emancipation Proclamation would be the greatest gambit of the nation's most inspired leader And in fact the battle's impact extended far beyond the field brilliant and lasting innovations in medicine photography and communications were given crucial real world tests No mere gunfight Antietam rippled through politics and society transforming history A Fierce Glory is a fresh and vibrant account of an event that had enduring consequences that still resonate today *America's Civil War*, 1988 **America, History and Life**, 1991 The Military Legacy of the Civil War Jay Luvaas, 1988 This pioneering study focuses on the experiences and writings of the surprisingly large number of Prussian British and French military observers who witnessed the Civil War firsthand Luvaas's fascinating account reveals why they came what they wrote what their armies learned or failed to learn from their reports and how their writings influenced later European military theorists For this edition Luvaas has added a thoughtful introduction that analyzes why some military lessons are learned and others ignored and examines the extent to which such lessons can be applied to subsequent conflicts The New York Times Book Review, 1989-07 *Encyclopedia of the American Civil War* David S. Heidler, Jeanne T. Heidler, 2000 Review The editors have compiled a comprehensive source that provides a first stop reference on broad areas or specific topics on the Civil War The contemporary photographs and lithographs bring the human element into the encyclopedia a type of reference known more for facts and figures than emotions The primary source documents volume brings obscure resources together which will further illumine the period for students Outstanding Reference Sources American Libraries May 2001 **Lincoln Lore**, 1989 *Blue & Gray Magazine*, 1987 *Forthcoming Books* Rose Arny, 1990 **Antietam** Gary W. Gallagher, 1989 Collection of four essays analyzing the Civil War battle of Antietam Sharpsburg by well known Civil War historians Paper edition unseen 8 95 Annotation copyrighted by Book News Inc Portland OR **Words on Cassette, 2002** R R Bowker Publishing, 2002
