Theorising Chinese Masculinity Society And Gender In China:

Theorising Chinese Masculinity Kam Louie, 2002-04 This book is the first comprehensive analysis of Chinese masculinity Kam Louie uses the concepts of wen cultural attainment and wu martial valour to explain attitudes to masculinity This revises most Western analyses of Asian masculinity that rely on the yin yang binary Examining classical and contemporary Chinese literature and film the book also looks at the Chinese diaspora to consider Chinese masculinity within and outside China

Routledge Handbook of Chinese Gender & Sexuality Jamie J. Zhao, Hongwei Bao, 2024-04-09 This Handbook offers a rich survey of topics concerning historical modern and contemporary Chinese genders and sexualities Exploring gender and sexuality as key dimensions of China's modernisation and globalisation this Handbook effectively situates Chinese gender and sexuality in transnational and transcultural contexts It also spotlights nonnormative practices and emancipatory potentials within mainstream heterosexual dominated and patriarchally structured settings It serves as a definitive study research and resource guide for emerging gender and sexuality issues in the Chinese speaking world This Handbook covers interdisciplinary methodologies perspectives and topics including History Literature Art Fashion Migration Translation Sex and desire Film and television Digital media Star and fan cultures Fantasies and lives of women and LGBTQ groups Social movements Transnational feminist and queer politics Paying acute attention to nonnormative genders and sexualities and emphasising the intersectionality of gender sexuality nationality ethnicity and class this Handbook offers an essential field defining text to Chinese gender and sexuality studies

Routledge Handbook of East Asian Gender Studies Jieyu Liu, Junko Yamashita, 2019-11-26 The Routledge Handbook of East Asian Gender Studies presents up to date theoretical and conceptual developments in key areas of the field taking a multi disciplinary and comparative approach Featuring contributions by leading scholars of Gender Studies to provide a cutting edge overview of the field this handbook includes examples from China Japan South Korea Taiwan and Hong Kong and covers the following themes theorising gender relations women's and feminist movements work care and migration family and intergenerational relationships cultural representation masculinity and state militarism and gender This handbook is essential reading for scholars and students of Gender and Women's Studies as well as East Asian societies social policy and culture

Gender and Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19 Gender and sexuality have been neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre modern state How did these and other late imperial legacies shape twentieth century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming

modern while simultaneously challenging the universalizing assumptions of Western modernity **Gender in Flux** Harriet Evans, Julia C. Strauss, 2011-06-16 Based on recent research and insights from political activism the volume explores changing manifestations and articulations of gender in China **Border Masculinities** Amit Thakkar, Brian Baker, Chris Harris, 2024-10-08 This volume collates and examines literary and screened representations of what the editors term border masculinities It seeks to understand masculine subjectivities through fiction and screen within a complex global arena of relationships and fluid movements across multiple boundaries within that arena It also concerns paradigmatic borders related to class gender and ethnicities as well as other theoretical parameters which cut across porous spatial boundaries This collection contains a range of theoretically informed responses to varying cultural representations of such masculinities in Europe the Americas the Caribbean Australasia and Asia Thematic and conceptual connections between them are discussed in the introductory chapter and such links are also made between chapters **Gender in Chinese Music** Rachel A. Harris, Rowan Pease, Shzr Ee Tan, 2013 Gender in Chinese Music draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture Sport and American Society Mark Dyreson, J. A. Mangan, 2013-09-13 A special issue of the International Journal of the History of Sport this collection of provocative essays explores the many faces of sport in America Drawing upon insights from anthropology history philosophy and sociology and with reference throughout to politics and economics the contributors outline the story of how American sport has contributed to a climate of insularity exceptionalism and imperialism from a symbolic rejection of British rule and British sports to the current status of all American sports such as baseball and basketball in the face of globalization **Law Society Journal** , 2003

Experiences of Transnational Chinese Migrants in the Asia-Pacific David Fu-Keung Ip, Raymond Hibbins, Wing Hong Chui, 2006 This title provides a much needed theoretical account of socio cultural and identity issues surrounding middle class Chinese migration in the changing context of migration policies and issues in Australia and other places It also offers insights to students studying the current changing face of Chinese migration and provides relevant data to policy makers managers and practitioners in the field of immigration and multicultural affairs This is a cutting edge volume that advances theories methodologies and policy issues relating to contemporary middle class Chinese migrants It reports and discusses multidisciplinary research undertaken in Australia Canada and New Zealand The book will not only serve as an introductory textbook for students of migration studies social sciences and China studies but also as a reference source for those who are interested in learning about recent Chinese migration in Asia and the Pacific Chinese Masculinities in a Globalizing World Kam Louie, 2014-11-20 This book explores how the traditional ideal of Chinese manhood the wen cultural attainment and wu martial prowess dyad has been transformed by the increasing integration of China in the international scene It discusses how increased travel and contact between China and the West are having a profound impact showing how

increased interchange with Western men for whom wu is a more significant ideal has shifted the balance in the classic Chinese dichotomy and how the huge emphasis on wealth creation in contemporary China has changed the notion of wen itself to include business management skills and monetary power The book also considers the implications of Chinese soft power outside China for the reconfigurations in masculinity ideals in the global setting The rising significance of Chinese culture enables Chinese cultural norms including ideals of manhood to be increasingly integrated in the international sphere and to become hybridised The book also examines the impact of the Japanese and Korean waves on popular conceptions of desirable manhood in China Overall it demonstrates that social constructions of Chinese masculinity have changed more fundamentally and become more global in the last three decades than any other time in the last three thousand years

International Guide to Literature on Masculinity Diederik F. Janssen, 2008 International in scope this guide lists references by world region selected nations selected American ethnic minorities and Christianity and Judaism Specific ethnic minorities covered include American Indians African Americans and Asian Americans **Gender, Sexuality, and Body Politics in Modern Asia** Michael G. Peletz, 2007 **A.U.M.L.A.**, 2003 卷四, 2004 A quarterly of comparative studies of Chinese and foreign literatures Korean Masculinities and Transcultural Consumption Sun Jung, 2011 South Korean masculinities have enjoyed dramatic influence in pan Asian popular culture which travels freely due to its non nationalistic appeal This book investigates transcultural consumption of three iconic figures the middle aged Japanese female fandom of actor Bae Yong Joon the Western online cult fandom of the horror film Oldboy and the Singaporean fandom of the popstar Rain Gendered Inequalities in Asia Helle Rydstrøm, 2010 Global processes with flows in money commodities and people have made it increasingly varied and blurred what it means to be a female or male in Asia today Socio economic and cultural patterns in Asia intersect with one another and in doing so they translate into power relations that create both possibilities and constraints for women and men By focusing on unequal access to political and religious power occupation and health facilities as well as different options when it comes to family life and sexuality the recognition of women and men are explored in this volume as manifestations of ideas about femininity and masculinity Readers will find insightful and enriching contributions that consider how gender relations in Asia and indeed the very meaning of gender itself are affected by neo liberalism globalization and economic growth security in all of its meanings multiculturalism race and class family life power and intergenerational support religious discourses and activism and by male norms in politics This title highlights the complex ways in which the positions of women and men are configured recognized and contested in a rapidly transforming region It offers a fresh multidisciplinary perspective on gender inequalities China's New Concubines? The Contemporary Second-wife Phenomenon Suwei Xiao, 2009 *Gender, Politics, and Democracy* Louise P. Edwards, 2008 This is the first exploration of women's campaigns to gain equal rights to political participation in China The dynamic and successful struggle for suffrage rights waged by Chinese women activists through the first half of the twentieth century challenged fundamental

and centuries old principles of political power By demanding a public political voice for women the activists promoted new conceptions of democratic representation for the entire political structure not simply for women Their movement created the space in which gendered codes of virtue would be radically transformed for both men and women The Oxford Encyclopedia of the Modern World ,2008 The Encyclopedia of the Modern World delves into the period from 1750 to the present providing special attention to social economic cultural and political topics applicable to the time The breadth of knowledge offered within this multivolume set is astounding with features spanning articles on countries regions and ethnic groups themes involving social history demography family life politics economics religion thought education science and technology and culture events such as major wars and extensive coverage of the United States Detailed articles cover not only the major facts but the interpretations as well and are written for readers who are not specialists in the particular area Enriched with over 800 halftones and 50 maps this reference work is essential for any scholar general reader collector or curator interested in this rich and varied time in history Through its fluent global coverage The Encyclopedia of Modern World provides information about and interpretation of major developments across particular regions both salient events and regional perspectives on common themes such as politics demography social class and gender Readers can explore topics that have global implications such as migration childhood and foods topics that can be viewed through a combination of global patterns and key comparisons Entries also shed light on standard geographic and ethnic units such as Scandinavia Korea or the Gypsies in the modern period The Encyclopedia presents unprecedented coverage of global processes and institutions themselves including the International Red Cross and the League of Nations Publisher
