Hawking, Jenna Wolfe, Ph.D., 2025-08-28 Unlock a Profound Mystery of the Ancient Ages and the Esoteric Knowledge it Reveals History is composed of the hazy vestiges of memory far more of the secrets underlying the mysteries of the past have been lost than preserved Modern accounts of the history of our world began long after origins had faded from human memory legends arose to preserve those origins Explore an unprecedented opportunity to unlock one of the greatest of ancient legends revealing knowledge that for long millenniums has remained hidden under the most intense silence For thousands of years the inner portion of the enormous wilderness of the Great Himalayan Range has inspired countless legends of a hidden society of great masters possessed of all encompassing wisdom and power Absent an ember there can be no smoke there is a kernel of truth in all such ancient and enduring legends and they cannot be easily or wisely dismissed Sweeping in an immense arc across Asia the Himalaya is a vast frozen fortress an uninterrupted 1 500 mile long crescent of mountains with over 110 peaks rising to elevations of 25 000 feet or more This Great Range cradles the most isolated areas of Earth's landmass towering ice peaks nearly six miles high conceal remote lushly forested valleys Years ago in a secluded part of that inner range explorer M G Hawking chanced upon a valley deep in the rugged wilderness Nestled in a majestic vale surrounded by vast snowfields rolling upward from evergreen forest to immense blue white glaciers and encircled by

Himalayan ice peaks so high as to appear overhead he encountered a tiny village called Siddhalaya Hawking's discovery marked the beginning of a series of extraordinary adventures and experiences Soon after arriving he realized a bit like Columbus or Marco Polo that he had discovered a world far stranger and vastly more profound than he had ever expected or imagined In Siddhalaya Hawking had the privilege of meeting exceptional men and women introduced to him as masters and adepts possessed of knowledge and power virtually unknown to the Western world In this book you will meet these remarkable people and explore the knowledge they reveal Fragments of the material presented in this volume have at various times through the millennia appeared in arcane mystical texts in the more profound Eastern philosophies and in the secret wisdom traditions of various ages This is to be expected the knowledge that conveys true power has an ancient origin In modern times splinters of this knowledge have resurfaced in various formats although unfortunately absent both the most fundamental as well as the most advanced elements of the wisdom and knowledge of the supreme masters You are invited to take an amazing journey through both space and time ranging from the remote ice peaks of the Himalayan Mountains to the highlands of Tibet and far back through the ages to the mystic landscapes of ancient civilizations Magical entertaining and richly enlightening this book will resound in your heart and mind long after the last words have been read A must read for anyone on a spiritual path or seeking greater knowledge and personal power 2025 Edition e reader page count 1285 estimated actual page count varies depending on the reading device used ISBN 9798231921164

In the Valley of the Kings Pasquale De Marco, In the vast expanse of ancient Egypt's history one name stands out as an enigma wrapped in mystery Akenhaten the veiled one His reign marked by radical religious reforms and political upheaval left an indelible mark on the sands of time This book delves into the depths of Akenhaten's controversial rule unveiling the secrets hidden beneath the veil Akenhaten's rise to power was as sudden as it was unexpected Thrust into the political limelight by the untimely demise of his elder brother the ambitious and cunning Mahu emerged as his protector and confidant Together they navigated the treacherous waters of a kingdom on the brink of chaos their alliance a delicate balancing act between ambition and loyalty Mahu a man driven by insatiable ambition and ruthless cunning played a pivotal role in shaping Akenhaten's reign As the pharaoh's closest advisor he wielded immense power manipulating events behind the scenes to secure his own position and further his own agenda A master of intrigue and deception Mahu's influence extended far beyond the palace walls reaching into every corner of the kingdom Akenhaten's reign was a tumultuous period marked by religious upheaval and political unrest His radical reforms challenging the traditional pantheon of gods and elevating the sun god Aten to supreme status ignited a firestorm of controversy The priesthood guardians of the old order fiercely resisted these changes sparking a bitter power struggle that threatened to tear

the kingdom apart Yet amidst the turmoil Akenhaten pursued his vision with unwavering determination He established a new capital city Akhetaten dedicated to the worship of Aten This city rising from the desert sands became a symbol of Akenhaten s transformative reign a testament to his unwavering devotion to his newfound faith The legacy of Akenhaten remains a subject of debate among scholars and historians Some hail him as a visionary reformer a pharaoh who dared to challenge the status quo and usher in a new era of enlightenment Others condemn him as a heretic a ruler whose religious fanaticism sowed division and discord within his kingdom His abrupt downfall and the subsequent erasure of his name from the official records only add to the mystique surrounding this enigmatic figure This book takes a comprehensive look at Akenhaten s life and reign shedding light on the complexities of his character the motivations behind his actions and the lasting impact of his rule Through meticulous research and analysis the author unravels the mysteries surrounding Akenhaten presenting a nuanced and thought provoking exploration of one of ancient Egypt s most controversial pharaohs If you like this book write a review

Anarchy and the Art of Listening James Slotta, 2023-06-15

Anarchy and the Art of Listening is an ethnography of politics as it is practiced on the other side of the spoken word in the act of listening James Slotta explores how people in the Yopno Valley of Papua New Guinea cultivate their listening to exercise power shape their futures and sustain their communities in the face of ambitious leaders and powerful outside institutions As in many parts of the global south missionaries NGO workers educators mining companies politicians development experts and others have sought to transform life in and around the Yopno Valley But as this book makes clear people there have not been a passive and pliable audience for these efforts They have brought their skills as anarchic listeners to these encounters advancing political agendas of their own To understand political life in the Yopno Valley we need to look not only at political speech but at the practices that lie on the other side of the word in the act of listening This Slotta suggests is also true well beyond the bounds of the Yopno Valley
