Tilopas Mahamudra Upadesha The Gangama Instructions With Commentary:

Tilopa's Mahamudra Upadesha Sangyes Nyenpa Rinpoche, 2025-11-04 All lineages of Mahamudra meditation have their source in a verse teaching a song of realization sung by the Mahasiddha Tilopa to his disciple Naropa on the banks of the Ganges River more than a thousand years ago Since that time the meaning of Tilopa's instructions has been passed directly from master to disciple in a continuous stream that exists unbroken to this day This book offers the reader a rare glimpse into the Mahamudra oral transmission given in a traditional Tibetan context by one of the lineage's most learned and accomplished contemporary masters Mahamudra meditation while highly advanced is yet simple practical and accessible for anyone because what is identified and meditated upon is the very nature of one's own mind In Sangyes Nyenpa Rinpoche's words The distinction between deception and liberation lies in whether we understand the ever present nature of our own mind or not Knowing our own face is liberation not knowing our own face is samsara This is not something far distant from us The instructions are ideal for Westerners because the root text is manageable and Rinpoche has provided an outline of his own composition that makes it easily understandable He explains terminology with frequent comparisons between Dzogchen and Mahamudra quotes prolifically from scripture gives clear examples and generally cajoles admonishes and encourages his listeners to be true to their own spiritual path *Tilopa's Wisdom* Khenchen Thrangu, 2019-12-31 Accessible and practical teachings on both the life of Tilopa who founded the Kagyu tradition of Tibetan Buddhism and one of his most important texts on the practice of Mahamudra Most traditions of Mahamudra meditation can be traced back to the mahasiddha Tilopa and his Ganges Mahamudra a song of realization that he sang to his disciple Naropa on the banks of the Ganges River more than a thousand years ago In this book Khenchen Thrangu a beloved Mahamudra teacher tells the extraordinary story of Tilopa's life and explains its profound lessons He follows this story with a limpid and practical verse by verse commentary on the Ganges Mahamudra explaining its precious instructions for realizing Mahamudra the nature of one's mind Throughout Thrangu Rinpoche speaks plainly and directly to Westerners eager to receive the essence of Mahamudra instructions from an accomplished teacher **Moonbeams of Mahamudra** Dakpo Tashi Namgyal, 2019-03-12 A new translation of Tibet's most important manual for Mah mudr view and meditation This classic Buddhist work written in the sixteenth century comprehensively presents the entire scope of the Tibetan Kagyu Mah mudr tradition These profound yet accessible instructions focus on becoming familiar with the nature of one's mind as the primary means to realize ultimate reality and thus attain buddhahood Dakpo Tashi Namgyal's manual for the view and practice of Mah mudr is widely considered the single most important work on the subject systematically introducing the view and associated meditation techniques in a progressive manner Moonbeams of Mah mudr along with the Ninth Karmapa Wangchuk Dorje's *Dispelling the Darkness of Ignorance* are to this day some of the most studied texts on Mah mudr in the Kagyu monasteries throughout Tibet and the Himalayas Elizabeth M Callahan a renowned translator of classical Kagyu literature has provided new translations of these

The Transformative Philosophical Dialogue Shai Tubali, 2023-09-25 This book explores dialogue as a transformative form of philosophical practice by unveiling the method behind the unique dialogue developed by mystic and thinker Jiddu Krishnamurti 1895 1986 While Krishnamurti himself generally rejected the cultivation of systems and techniques Shai Tubali argues that there are easily identifiable patterns through which Krishnamurti strove to realize his dialogical aims For this reason he refers to this method whose existence has evaded Krishnamurti s followers and scholars alike as the Krishnamurti dialogue He suggests that these discursive patterns serve to broaden our understanding of the possibilities of philosophical and religious dialogues and further illuminate established forms of dynamic discourse such as the Socratic method Inspired by Pierre Hadot s revolutionary reading of the classical Greco Roman texts the author centers his attention on Plato s Socratic dialogues and the guru disciple conversations in the Hindu Upanishads which fall within the scope of what may be termed the transformative dialogue dialogues that have been written with the intention of bringing about a transformation in the mind of the interlocutor and reader and reorienting their way of life This text appeals to students as well as researchers and suggests that the Krishnamurti dialogue is not only a continuation and development of the transformative dialogue but that it also amalgamates ingredients of classical Western philosophy and South Asian mysticism Moreover this type of dialogue encourages readers to revisit the lost practice of transformative philosophy in that

it reveals new pathways of philosophical and religious inquiry that bear thought provoking practical implications
