Poetry of Seduction for Queens and Ruffians Frisco Kid,2017-04-20 The dance of life is spiritual animation at best The author at role playing has been quite active from husband to father from poet to tax agent from insurance broker to herbalist from wagon jobber to playwright from caterer and many studies in between Love made it

happen In this author s poetry important people who are celebrated gave him the inspiration and substance for taking the proverbial windmill route of artist The art from the author s perspective is God s special gift to humankind to ascend from the mud the cave the stuck to the floor position and eloquently and meaningfully rise so that in time man may come to realize the transparent nature of substance spirit and universal love On that day male and female lives will find redirection and no longer have to live in vain *Poetry From The Heart By An Alzheimer's Caregiver* Carolyn A. Haynali,2004-12-14 The Teaser Carolyn started this journey by keeping a daily journal and from that her poetry started to flow and now a book The gift of writing these poems came out of the long lonely journey with her husband Chuck who had Alzheimer s The poems speak of the love the struggles and the heartaches that a caregiver has to go through taking care of a loved one I was not a writer but felt inspired to write my feelings as it helped me get through the days and the years ahead I was able to lose myself and get lost for a time in my writings I pray that you can gain some understanding and comfort as you read these poems
