

THE TIME JESUS CURSED

PETER DELLAS, PH.D

Time Jesus Cursed Verse Verse

Saundra Harrison

Time Jesus Cursed Verse Verse:

The Time Jesus Cursed Peter J. Dellas, 2015-12-10 An up to date explanation of the Book of Revelation for 21st century readers using the latest research and information This book has no hype no fanciful interpretations no predictions of the end of the world It is a candid verse by verse explanation of one of the most maligned books of the Bible Just the facts

GNOMONIC VERSES Brian Taylor, 2015-06-16 Clusters of English unofficial roses have climbed the fence to face the sun Each in its crimson finery supposes that it alone is the only one Compliment inflates Blame deflates Truth understates When the Giant Progress invented the wheel he drove around running over everyone s babies until they begged him to invent the road FOOL MOON Abolishing the moon by draining the pool is an occupation for the fool Look at her Sitting like a Question Mark halfway between please and no thank you I asked my Mother What shall I be Will I be famous Will I be rich Here s what she said to me You will be a Big Issue Seller Just like your father before you THATCHER Ethics detached from intelligence a dangerous thing in woman She abused her education by sunbathing her ego in every passing neon light DEIST AND ATHEIST Be careful when you stop believing in God He may stop believing in you *Time and Chance Happens To All*

Saundra Harrison, 2011-10-12 Live life with a spiritual strategic plan Walk in God s plan for your life Things happen in life but God has strategies for you to live life well The Historical Christ Bruce W. Behrman, 2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald and Lowell to name a few It is among great poets and artists such as these that the author places the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church **A Figurative Commentary On the Song Of Solomon** David Gregson

McNeely, 2025-02-25 In American churches the Song Of Solomon is traditionally thought of as an allegory of the love between Jesus and the church In Hebrew tradition it is an allegory about the love of God for the Hebrew people or Jehovahas Wife While both interpretations can be considered accurate there is a third and mostly overlooked interpretation and that is that it is a poetic representation of the earthly life ministry crucifixion death burial and resurrection of Jesus Christ His continued ministry to the church through the Holy Spirit from Heaven This commentary is an attempt to outline this third interpretation in clear concise language for the edification of the church and the body of Jesus Christ **Berrian Bible Commentary I.**

Ray Berrian,2017-07-07 What makes this commentary so helpful and valuable to you is that under the guidance of the Holy Spirit I am willing to amplify the exact meaning of each verse without shrouding the intent of Jesus penmen My intent is to leave you with few questions after reading my exegesis of Holy Scripture On main points I offer multiple texts in both the New and Old Testaments

A Christian Guide to the Qur'an Raouf Ghattas,Carol Ghattas, A Christian guide to the Qur'an will prepare Christians to understand the central messages of the Qur'an in simple terms and illustrates how knowledge of Islam's sacred text can provide bridges to religious understanding and evangelism From back cover

The Kingdom of Heaven and the Kingdom of God Earl B. Schrock,2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64 8 the clay in making a useful vessel

Let My People Go! David G. Drach,2022-11-03 *Let My People Go* is a prophetic call to the Church to believe and walk in the same Gospel that the first disciples believed and demonstrated in their daily lives We know that the New Testament is not written in classical Greek form It is however Hebrew in its thought pattern and sentence structures This should be anticipated as the writers were predominantly born again Spirit filled tongue talking Hebrew Christians The Message that they passed on to us must be interpreted from this perspective in order to arrive at the truths they intended to convey to us A failure to interpret and receive their writings from their perspective results in a twisting of the scriptures and a skewed distorted picture of the Gospel Message In delivering the message of the Gospel we as believers and ministers are called by God to carry the mail As the mailmen of God we have no right to change in any way the content of the Message we carry When we do this we find that there are a small number of Greek words upon which their Gospel Message is built These words become the threads of revelation that when woven together reveal the true picture of the Gospel of Jesus Christ With the exception of the apostle Paul most of the New Testament writers were not scholars but blue

collar workers fishermen tax collectors etc People like us If it was not too deep for them to write it is not too deep for us to understand After all Jesus Promised that the same Holy Spirit who inspired those men would guide you into all the truth John 16 13 The Gospel of Jesus Christ is not difficult to understand but it takes courage and trust to receive it and live it as it was originally given In the end the picture of our lives must demonstrate the same Gospel as the lives of the first disciples If not we are in error and in need of change **The holy Bible, from the authorized tr., with a comm. and critical notes by A. Clarke** Adam Clarke, 1817

Whispering the Strategies of Language: An Emotional Journey through **Time Jesus Cursed Verse Verse**

In a digitally-driven world wherever screens reign supreme and quick transmission drowns out the subtleties of language, the profound secrets and psychological subtleties hidden within words often move unheard.
