I personally have volunteered at numerous events and locations such as Sonorously, an anti-drug and bullying program for fourth and fifth graders, and my local elementary school. I too have experienced this Warm fuzzy feeling that you get after you help others. However, contrary to some people's beliefs, these temporary good feelings are not the only benefits of volunteering. Volunteering has social benefits, physical and mental health benefits, and career benefits as well. College students lack many of these benefits in their own lives but can easily fulfill their need for these elements through volunteering.

This is why all college students should participate in some type of volunteer work. I. (Need): College students often have social, physical and mental health, and career problems. A. Colonization is crucial for the development of college students yet it is frequently hard to obtain. 1. Antonio Loring, in an article in the Journal of Higher Education, states that "interpersonal interactions are a primary contributor to [students'] overall development in college." 2. However, almost half of the class indicated that, as college students, it is radar groups. O connect with others and make friends outside your normal social our 3. Therefore, this difficulty in colonization and finding new friends can harm personal growth. B. Additionally, college students often battle with health problems. 1. Twelve out of seventeen people in the class believe college students are more prone to developing physical and mental health problems than other a. Many of you indicated your concern with physical health problems such as easily becoming sick. Using drugs, drinking, smoking, getting little and having poor nutrition. Sleep, .

Others stated college students struggle with mental health problems such as depression, anxiety, and stress. A 2004 survey done by the American that "nearly half of all college students 2. Tunneling, Ana Tinted percent meet C. It is also difficult for college students to obtain skills for future careers and find jobs once they graduate college. 1. An article on website life. Malediction. Com, written by Susan Shelley, claims the that "for many new graduates, figuring out what to do after college is biggest initial challenge." 2. Shelley explains that "studies show that most college graduates do not make a seamless transition from student to employed person" and "it can take a while to find a Job." Connective: Students in college evidently face many challenges; however, these challenges can be alleviated. II. (Satisfaction): College students can eliminate many social, physical and mental health, and career problems by simply volunteering. A.
