The Yellow Wallpaper:

The Yellow Wallpaper (Illustrated) Charlotte Perkins Gilman, 2014-04-10 The Yellow Wallpaper is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s physical and mental health Presented in the first person the story is a collection of journal entries written by a woman whose physician husband has confined her to the upstairs bedroom of a house he has rented for the summer She is forbidden from working and has to hide her journal from him so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period The windows of the room are barred and there is a gate across the top of the stairs allowing her husband to control her access to the rest of the house The story depicts the effect of confinement on the narrator s mental health and her descent into psychosis With nothing to stimulate her she becomes obsessed by the pattern and color of the wallpaper It is the strangest yellow that wall paper It makes me think of all the yellow things I ever saw not beautiful ones like buttercups but old foul bad yellow things But there is something else about that paper the smell The only thing I can think of that it is like is the color of the paper A yellow smell In the end she imagines there are women creeping around behind the patterns of the wallpaper and comes to believe she is one of them She locks herself in the room now the only place she feels safe refusing to leave when the summer rental is up For outside you have to creep on the ground and everything is green instead of yellow But here I can creep smoothly on the floor and my shoulder just fits in that long smooch around the wall so I cannot lose my way A woman gradually suffers a mental breakdown as a result of confinement and denial of her creative energies by her husband

The Yellow Wallpaper Charlotte Perkins Gilman, 2020-10-08 First appearing in 1892 The Yellow Wallpaper is a searing vision of a distinctively feminine form of madness and commands attention as an arresting tale of horror and a moving look into a woman s mind The story uncompromisingly thrusts the reader into the mind of the narrator She is a woman forced ostensibly for her own good into a rest cure a psychological straitjacket so constricting that she begins to unravel Her mental dissolution is described with such fierce immediacy that The Yellow Wallpaper has been

read and anthologized as a chilling horror tale While it can easily be appreciated for its disorienting thrills the story's true resonance comes from its matter of fact portrayal of a woman pushed to the rim of sanity by society's demands and her family's utter inability to conceive of the fact that she cannot fit within their strictures Shot through with unforgettable images of the yellow wallpaper its shadowy depths and what seems to lurk there *The Yellow Wallpaper* builds to a climax that combines the narrative impact of an Edgar Allan Poe story with a wrenching protest of the treatment of women Unique and genre bending Gilman's story was unrivaled in its era and its power endures undiminished today With an eye catching new cover and professionally typeset manuscript this edition of *The Yellow Wallpaper* is both modern and readable [The Yellow Wallpaper and Other Stories](#) Charlotte Perkins Gilman,2012-03-01 Seven charming tales explore relations between the sexes and offer witty insights from a feminist perspective Includes the 1892 title classic plus *Cottagette Turned Mr Peebles Heart* and more *The Yellow Wallpaper* Charlotte Gilman,2018-07-27 *The Yellow Wallpaper* original title *The Yellow Wall paper A Story* is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women's health both physical and mental *The Yellow Wallpaper* Charlotte Gilman,2017-12-20 *The Yellow Wallpaper* original title *The Yellow Wall paper A Story* is a 6 000 word short story by American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women's health both physical and mental Presented in the first person the story is a collection of journal entries written by a woman whose physician husband John has rented an old mansion for the summer Forgoing other rooms in the house the couple moves into the upstairs nursery As a form of treatment the unnamed woman is forbidden from working and is encouraged to eat well and get plenty of exercise and air so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period She hides her journal from her husband and his sister the housekeeper fearful of being reproached for overworking herself The room's windows are barred to prevent children from climbing through them and there is a gate across the top of the stairs though she and her husband have access to the rest of the house and its adjoining estate [The Yellow Wallpaper](#) Charlotte Perkins Gilman,2019-07-07 *the yellow wallpaper* by charlotte perkins gilman This book includes summary character list glossary etc for better e reading experience Hope you enjoy and love reading this book *The Yellow Wallpaper* original title *The Yellow Wall paper A Story* is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature due to its illustration of the attitudes towards mental and physical health of women in the 19th century Narrated in the first person the story is a collection of journal entries written by a woman whose physician husband John has rented an old mansion for the summer Forgoing other rooms in the house the couple moves into the upstairs nursery As a form of

The Yellow Wallpaper and Other Writings Charlotte Perkins Gilman, 1989-10-01 Known primarily for her classic and haunting story The Yellow Wallpaper Charlotte Perkins Gilman was an enormously influential American feminist and sociologist Her early twentieth century writings continue to inspire writers and activists today This collection includes selections from both her fiction and nonfiction work In addition to the title story there are seven short stories collected here that combine humor

anger and startling vision to suggest how women's place in society should be changed to benefit all. The nonfiction selections are from Gilman's *The Man-Made World*, *Our Androcentric Culture*, and her masterpiece *Women and Economics*, which was translated into seven languages and established her international reputation as a theorist. Also included is a delightful excerpt from Gilman's utopian novel *Herland*, an acidly funny tale about three American male explorers who stumble into an all-female society and begin their odyssey by insisting, "This is a civilized country; there must be men." Gilman's analyses of economic and women's issues are as incisive and relevant today as they were upon their original publication. This volume is an unprecedented opportunity to rediscover a powerful American writer.

The narrator devotes many journal entries to describing the sickly yellow wallpaper in the room. She describes how the longer one stays in the bedroom, the more the wallpaper appears to mutate, especially in the moonlight. With no stimulus other than the wallpaper, the pattern and designs become increasingly intriguing to the woman. Believing she must free the woman in the wallpaper, the woman begins to strip the remaining paper off the wall.
