The Zeon Colony The Sequel To Alternate Realities:

The Zeon Colony Chris Rawlings,2014-04-01 Can we prevent our own extinction In a familiar timeline from the future The Zeon Colony continues to follow Crimson Sunflower on his adventures from Planet Zeon to a parallel universe as he strives to help humanity evolve from economic slavery in this highly anticipated sequel to Alternate Realities The story concludes Crimson s philosophical journey from death in the subconscious to more insights when exploring alternatives by looking at the same problems we face today from a different perspective This book presents a new philosophy with an imaginative environment that only exists on Planet Zeon and beyond We might just find that the key to solving current problems could be in the secrets of our very own past

Alternate Realities Chris Rawlings,2011-10-28 Have you ever wondered whether or not our destiny is predetermined or how much of a choice do we really have when it comes to free will in shaping our own lives especially while society and government continues to limit our circumstances This book attempts to answer these questions and more In a world set thousands of years and several millennia in the future we might find that many problems and issues we face today will persist unless we change the way we look at our world In the year 3333 A D on Planet Zeon where the sky is no longer the limit a nonconformist philosopher goes up against all odds to revive the importance of artists in a society filled with laser bolts and launch pads where original ideas are becoming a rare commodity in the face of fast paced technological mass production Will commercial materialism dominate ethical values or can people regain their spiritual independence If a picture is worth a thousand words then this book might be worth millions It is a must read for anyone who has ever struggled to be recognized for their artistic integrity in order to survive amidst such a competitive corporate world dominated by greed Its for anyone who has ever worked hard for their dreams to come true *From*
