The Worlds Of A Maasai Warrior An Autobiography:

The Worlds of a Maasai Warrior Tepilit Ole Saitoti, 1986 Autobiografie van een Maasai opgegroeid in het grensgebied van Kenia en Tanzania die na zijn studie in het Westen weer terugkeerde naar zijn geboortestreek *The Worlds of a Maasai Warrior* Tepilit Ole Saitoti, 1986 Recounts the author's traditional childhood adolescence and coming into manhood in Maasailand and of his education in Europe and America **War and Religion** Jeffrey M. Shaw Ph.D., Timothy J.

Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume *War and Religion An Encyclopedia of Faith and Conflict* provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers *Etiquette and Taboos around the World* Ken Taylor, Victoria R. Williams, 2017-10-05 An interesting resource for learning about the cultural differences and characteristics of people across the globe this encyclopedia covers the do's and don'ts of a breadth of countries and major ethnic groups Readers of this one volume reference will gain useful knowledge of what travelers should and shouldn't do when in countries outside of the United States After a general introduction approximately 100 alphabetically arranged entries cover topics such as greeting and meeting appearance and dress table manners body language social situations and hospitality verbal communications business etiquette religious etiquette gift giving and even netiquette regarding social media Sidebars and images throughout make the text more accessible and engaging and additional readings at the end of each entry as well as the bibliography offer opportunities for further research on the subject The content also directly supports the National Geography Standards and the AP Human Geography curriculum for high school students as they learn about the cultural differences and characteristics of people in major ethnic groups across the globe *Once Intrepid Warriors* Dorothy L. Hodgson, 2001 *Once Intrepid Warriors* explores the ways identity development and gender have interacted to shape the Maasai into who and what they are today By situating the Maasai in the political economic and social context of Tanzania and world events Dorothy L. Hodgson shows how outside forces and views of

development in particular have influenced Maasai lifeways especially gender relations Five profiles of Maasai men and women interspersed within the text bring Maasai voices to life and show that they were never passive witnesses to their own history

BOOK JACKET The Maasai of Matapato Paul Spencer, 2004-03 This study pioneered the relation of the dynamics of the Maasai age organization to tensions within the family Together these provide the twin strands of a man's career opposed ritually and reflecting a fundamental ambivalence in Maasai thought This analysis is illustrated with case material from the Matapato a typical Maasai group

Time, Space and the Unknown Paul Spencer, 2004-02-24 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Social Entrepreneurship and Enterprises in Economic and Social Development Katharine Briar-Lawson, Paul Miesing, Blanca Ramos, Blanca M. Ramos, 2021 This book explains how and why it's important to integrate social entrepreneurship and social enterprises with social and economic development

Gendered Modernities D. Hodgson, 2016-04-30 Based on long term ethnographic research the book chapters explore the intersection of gender and modernity as they are mediated in the lives and subjectivities of diverse individuals and groups How are the messages of modernity tradition gendered How are the material practices and cultural meanings of modernity shaped by local ideas of gender and progress Together these chapters demonstrate that the ideas of progress rationality order and development encompassed by modernity are profoundly gendered whether conveyed by mass media images of consumption agendas of nation building or legal discourse Furthermore the mutual inflections of gender and modernity are at once pervasively global occurring in different locales and ways and deeply local shaping and shaped by the structures and experiences of culture class ethnicity and nation

The Idea of Development in Africa Corrie Decker, Elisabeth McMahon, 2020-10-29 The Idea of Development in Africa challenges prevailing international development discourses about the continent by tracing the history of ideas practices and problems of development used in Africa In doing so it offers an innovative approach to examining the history and culture of development through the lens of the development episteme which has been foundational to the idea of Africa in western discourses since the early 1800s The study weaves together an historical narrative of how the idea of development emerged with an account of the policies and practices of development in colonial and postcolonial Africa The book highlights four enduring themes in African development including their present day ramifications domesticity education health and industrialization Offering a balance between historical overview and analysis of past and present case studies Elisabeth McMahon and Corrie Decker demonstrate that Africans have always co-opted challenged and reformed the idea of development even as the western centric development episteme presumes a one way flow of ideas and funding from the West to Africa

The Rise of the African Novel Mukoma Wa Ngugi, 2018-03-27 Engaging questions of language identity and reception to restore South African and diaspora writing to the African literary tradition

The Last Maasai Warriors Jackson Ntirikana, Wilson Meikuaya, 2012-08-24 How two young Maasai tribesmen became warriors scholars and leaders in their community and to the world They are living testament to a vanishing way of life on the African savannah Wilson and Jackson are two brave warriors of the Maasai an intensely proud culture built on countless generations steeped in the mystique of tradition legend and prophecy They represent the final generation to literally fight for their way of life coming of age by proving their bravery in the slaying of a lion They are the last of the great warriors Yet as the first generation to fully embrace the modern ways and teachings of Western civilization the two warriors have adapted at times seamlessly at times with unimaginable difficulty in order to help their people They strive to preserve a disappearing culture protecting the sanctity of their elders while paving the way for future generations At this watershed moment in their history the warriors carry the weight of their forbearers while embracing contemporary culture and technology While their struggle to achieve this balance unfolds exquisitely in this story their discoveries resonate well beyond the Maasai Mara

African Myths of Origin Stephen Belcher, 2005-12-01 Gathering a wide range of traditional African myths this compelling new collection offers tales of heroes battling mighty serpents and monstrous birds brutal family conflict and vengeance and desperate migrations across vast and alien lands From impassioned descriptions of animal creators to dramatic stories of communities forced to flee monstrous crocodiles all the narratives found here concern origins whether of the universe peoples or families Together they create a kaleidoscopic picture of the rich and varied oral traditions that have shaped the culture and society of successive generations of Africans for thousands of years throughout the long struggle to survive and explore this massive and environmentally diverse continent

Snakes, People, and Spirits, Volume One Robert Hazel, 2019-11-05 This two volume publication offers an in depth analysis of ophidian symbolism in Eastern Africa while

setting the topic within its regional and historical context namely with regards to the rest of Africa ancient Egypt and Mesopotamia the Greek world ancient Palestine Arabia India and medieval and pre Christian Europe Through the ages most of those areas have connected with Eastern Africa in a broad sense where ophidian symbolism was as rampant and far reaching if not more so as anywhere else on the continent and perhaps in past civilisations Much as in the wider context snakes were held to be long lived closely related to holes caverns trees and water life and death and credited with a liking for milk Even though ophidian symbolism has always been developed out of the outstanding biological and ethological features of snakes the process of symbolisation which plays a crucial role in the elaboration of cultural systems and the shaping of human experience was inevitably at work This first volume deals with snakes as a zoological category snake symbolism as perceived by encyclopaedists and psychologists and ophidian symbolism as it occurred in ancient civilisations It explores the traditional African scene in general with a view to set the scene for a more proximate baseline for comparison The divide between animals and humans was porous and snakes had a more or less equal footing in both the animal realm and the spiritual world Key features of snake symbolism in traditional Eastern Africa are then examined in detail especially phantasmagorical snakes the rainbow serpent snake totems and snake related witches and ritual leaders among others In Eastern Africa the meanings attributed to snakes were multifaceted and paradoxical Overall the two volumes of this publication show that African snake symbolism broadly echoed the diverse representations of ancient civilisations The widely acknowledged assimilation of snakes to death and Evil is therefore unrepresentative both historically and culturally

Snakes, People, and Spirits, Volume Two Robert Hazel, 2020-05-07 This two volume publication offers an in depth analysis of ophidian symbolism in Eastern Africa while setting the topic within its regional and historical context namely with regards to the rest of Africa ancient Egypt and Mesopotamia the Greek world ancient Palestine Arabia India and medieval and pre Christian Europe Through the ages most of those areas have connected with Eastern Africa in a broad sense where ophidian symbolism was as rampant and far reaching if not more so as anywhere else on the continent and perhaps in past civilisations Much as in the wider context snakes were held to be long lived closely related to holes caverns trees and water life and death and credited with a liking for milk Even though ophidian symbolism has always been developed out of the outstanding biological and ethological features of snakes the process of symbolisation which plays a crucial role in the elaboration of cultural systems and the shaping of human experience was inevitably at work This second volume focuses on southern Abyssinia an area of Eastern Africa *latu senso* where the connection between snakes and paramount religious leaders was especially far reaching Their clans were said to be the outcome of sexual encounters between a young woman and an ophidian These leaders bred and fed snakes Some of them buried dead snakes in their compounds Their curse was likened to the bite of a deadly serpent This volume is devoted to a few communities of southern Abyssinia notably the Oromo an important group that has fascinated European travellers missionaries and social science specialists over a period of 150

years The rich Oromo ethnographic record lends itself to full circle analysis This volume represents a significant contribution to the study of the mysterious snake priests of the Oromo Hoor Konso and Burji peoples In Eastern Africa the meanings attributed to snakes were multifaceted and paradoxical Overall the two volumes of this publication show that African snake symbolism broadly echoed the diverse representations of ancient civilisations The widely acknowledged assimilation of snakes to death and Evil is therefore unrepresentative both historically and culturally *Street-Gang and Tribal-Warrior Autobiographies* H. David Brumble,2018-04-10

Street Gang and Tribal Warrior Autobiographies is a study of the autobiographies of tribal warrior cultures in North America the Amazon the Orinoco Basin the highlands of Luzon the island of Alor of headhunters women Apaches New Guinea big men and a Yanomami captive The book also discusses tribal warrior autobiographies closer to home Colton Simpson s *Inside the Crips* Mona Ruiz s *Two Badges* Nathan McCall s *Makes Me Wanna Holler* and Sanyika Shakur s *Monster* autobiographies that remember gangbanging at a time when there were close to 500 gang related homicides a year in Los Angeles a time when gangbangers were so alienated from the larger society that they reinvented something very similar to the tribal warrior cultures right in the asphalt heart of American cities Grisly probing and resonant with the voices of generations of fighters *Street Gang and Tribal Warrior Autobiographies* is an unsettling work of cross disciplinary scholarship **Cultural Anthropology** Serena Nanda,Richard L. Warms,2019-01-09

Cultural Anthropology integrates critical thinking explores rich ethnographies and prompts students to skillfully explore and study today s world Readers will better understand social structures by examining themselves their culture and cultures from all over the globe Serena Nanda and Richard L Warms show how the analytical understandings and tools derived from over a century of systematically collecting data and thinking about culture can help students analyze understand and act effectively in the world With a practical emphasis on areas such as medicine forensics development and advocacy this book takes an applied approach to anthropology The authors cover a broad range of theories both historical and contemporary without any insistence on any particular approach and balance it with applied contemporary real world global issues The new Twelfth Edition includes a wealth of new examples and over 500 references that update ethnographic examples statistical information and theoretical approaches *Promise the Night* Michaela MacColl,2011 Explores the early life of Beryl Markham who grew up on a farm in Kenya and became the first person to fly solo across the Atlantic from east to west
