is Earth's tenuous toehold on Mars International exploration turns into world building world building degenerates into political conflict revolution and war Following the strands of these lives and events in an age when human life has been extended for decades *The Martians* becomes the story of generations lived on the edge of the ultimate frontier in a landscape of constant man made and natural transformation This new masterpiece by Kim Stanley Robinson is a story of hope and disappointment of fierce physical and psychological struggles Both deeply human and scientifically cutting edge *The Martians* is the epic chronicle of a planet that represents one of humanity's most glorious possibilities

A Letter from Kim Stanley Robinson When I finished *Blue Mars* I realized I wasn't done with Mars yet There were things I still wanted to say about the place and about my characters from the trilogy and there were a number of sidebar stories and characters that had found no place in the trilogy's structure I also had a couple of precursor Mars stories that did not fit the trilogy's history *Exploring Fossil Canyon* and *Green Mars* and I had held these out of my earlier story collections thinking they belonged with the Mars group So all this material was there and as I wrote *Antarctica* I found myself drawn back into the matter of Mars repeatedly by the discovery of possible life in meteorite *AHL8004* and by the *Pathfinder* landing I decided to make a collection of Martian tales and as I put them in roughly chronological order I saw that they seemed to be adding up to their own larger story functioning as the trilogy's unconscious or secret history Using all kinds of modes from folk tales to scientific articles from personal accounts to the full text of a constitution I arranged things so that the book altogether tells the story of an underground and hard to see resistance to the terraforming described in the trilogy proper I had a great time doing these stories and hope they add up to my own version of a *Martian Chronicles*
