Their Name Is Today Johann Christoph Arnold, 2015-09 There s hope for childhood Despite a perfect storm of hostile forces that are robbing children of a healthy childhood courageous parents and teachers who know what s best for children are turning the tide Johann Christoph Arnold whose books on education parenting and relationships have helped more than a million readers through life s challenges draws on the stories and voices of parents and educators on the ground and a wealth of personal experience He surveys the drastic changes in the lives of children but also the groundswell of grassroots advocacy and action that he believes will lead to the triumph of common sense and time tested wisdom Arnold takes on technology standardized testing overstimulation academic pressure marketing to children over diagnosis and much more calling on everyone who loves children to combat these threats to childhood and find creative ways to help children flourish Every parent teacher and childcare provider has the power to make a difference by giving children time to play access to nature and personal attention and most of all by defending their right to remain children

The Power of Risky Play in the Early Years Zoe Sills, Sarah Watkins, 2025-08-07 Harness the learning Power of Risky Play in the Early Years Now more than ever children need to develop autonomy and decision making skills Too often in Early Years settings opportunities for learning through risky play are missed In this book Zoe Sills and Sarah Watkins support you to overcome the barriers to embedding and allowing space for risky play in your setting Know the value of Risky Play Create a learning environment that encourages and supports Risky Play Feel confident to allow the time and space for Risky Play Develop a better understanding of risk and learning Children know what they need for their bodies and minds Through self directed play children naturally challenge themselves They test their physical and emotional boundaries as part of cognitive and physical development We should be supporting this child led learning in the Early Years not limiting it This book helps you to do this to harness the learning power of Risky Play

The Child's Curriculum Colwyn Trevarthen, Jonathan Delafield-Butt, Aline-Wendy Dunlop, 2018-08-30 All children are born with emotional talent But if left untended those talents can wane during the first five years of life Children are sensitive and social beings from birth exhibiting an innate enthusiasm for communication that must be satisfied for healthy development If their feelings agency and motivations are met with affection if they are respected and nurtured then children will respond creatively and that inherent desire for companionship will flourish However with the recent changes in political and educational systems early years education has seen a decline in focus on the emotional wellbeing of children and the development of their creativity Those systems need to adapt if educators are to bring out the best in our future generations By nurturing creativity and emotional wellbeing in the first five years of life long term social benefits can be wrought The book focusses on children s readiness for learning It addresses the natural joy explicit in children s early conversations and engagement with music and their development through play with both adults and other children This kind of education allows children to develop their bodies and skills accept and understand their

feelings build relationships and progress both their imagination and their problem solving skills In this way play with others drives development With contributors from the fields of psychological educational and political spheres this book will be of interest to anyone concerned for the future of our children Contexts for Young Child Flourishing Darcia Narvaez, Julia M. Braungart-Rieker, Laura E. Miller-Graff, Lee T. Gettler, Paul D.
