

Writing

Common Core
State Standards

5th
Grade

Write opinion pieces on topics or issues, state informative/explanatory texts, compare and contrast subjects & issues

WRITING AN OPINION TEXT

- An opinion text tells something or feelings about a topic. A good opinion text includes:
- an introduction, body, and conclusion
 - a statement of a belief or judgment
 - evidence that support the belief or judgment
 - linking words and phrases to connect the opinion and evidence

- An opinion text might also include:
- a statement to explain and define the writer expects the reader to take
 - ICN: People should recycle. People should work on community projects. A statement to explain an action the writer expects the reader not to take
 - ICN: People should not throw trash away. People should not eat unhealthy food.

- Examples of opinion writing include:
- opinion letters
 - letters or emails to editors or magazines or newspapers

Frame Your Text

- Introduction: Your Topic (IC.1.4, IC.2.4, IC.3.2)
- Tell the reader your topic in the introduction or over text.
 - Make your topic clear. This helps the reader understand your opinion.
 - Tell your reader why the topic and opinion are important. This helps reader understand why you're writing about the topic. It also helps reader understand why you believe the opinion.
 - Make your introduction interesting. This makes the reader want to keep reading.

- Choose general topic Choose interesting topic
- There are lots of problems people can work to fix. Water pollution is a serious problem that people can solve together.

Planning in Action
Use a Graphic Organizer to Brainstorm Topics

Your assignment might give you a specific topic. But many assignments give a general topic. Then you must think of a specific topic of your own. You can begin this work with a topic web. You can use a topic web for an opinion text or for other types of writing, including informative and explanatory texts.

Start with the general topic or idea in the assignment. Then use a web to come up with ideas. Write every idea that comes to mind. Then look at all your ideas and choose one of the topics. Then is a topic web completed by a student.

Now Try This!

Read the following general topics. Then create a topic web of your own. Share ideas you have about the topic. Remember to think of your opinions as you write. Spend five minutes writing your ideas. Then read your ideas. Circle the one you would like to write about.

Topic:
Example:
Living alone
Working on a school project

- State an Opinion** (IC.1.4, IC.2.4, IC.3.2)
- Your opinion is your viewpoint about an issue. How do you feel about the issue? What do you think about the issue? This is your opinion.
- Use full effect include the word *should* when you give an opinion.
 - ICN: People *should* recycle. Students *should* be part of community service projects.
 - But it's not always necessary to include the word *should* when you express an opinion.
 - ICN: Our school is the *best* school in the city. Spring is my *favorite* season.
- It's important to know the difference between a statement of fact and a statement of opinion.
- A statement of fact can be proven true or false.
 - ICN: The height of the Empire State Building is 1,250 feet (381 m).
 - The name of your school is Kelly State Middle School.
 - A statement of opinion cannot be proven true or false.
 - ICN: The Empire State Building is the most beautiful building in New York.
 - Our school is the greatest school in the city.

Statement of Fact can be proven true or false	Statement of Opinion cannot be proven true or false
The capital of California is Sacramento.	California is the best state in the country.
There are five flowers in the bouquet.	This is the prettiest bouquet ever!
Our teacher has a dog in her classroom.	Our classroom is the best in the school.
There is a soccer field on our playground.	Soccer is the hardest sport to play.

What should you do after you write the opinion for your text?
Check the statement you have written. Can the statement be proven true or false?

- If yes, you have written a fact. Facts agree and written as opinions. The topic.
- If no, you would have written an opinion.

Now Try This!

1. Write three statements on your own paper. Circle statements of fact. Underline statements of opinion.

- Florida are the American dogs.
- Myron are everyone's favorite kind of entertainment.
- Charles were discussed yesterday at 5:45 in the afternoon.
- This book includes the most original ideas in the library.
- There are no statements on Mary found in our town.

2. Complete the instructions that follow.

- Write one statement of fact about a place in your town.
- Write one statement of opinion about a place in your town.

Planning in Action
Use a Narrowing Triangle to Narrow the Topic

A topic web helps you think of topics related to a general idea. But the topic from your web might be very broad. This means you'll need to narrow your topic for an opinion. You can use a narrowing triangle to do this. An opinion text on the other types of writing. Begin with the broad topic at the top of the narrowing triangle. Then narrow the topic more and more until you have the opinion for your text. This is a narrowing triangle completed by a student.

Now Try This!

Read the following broad topics. Create a narrowing triangle of your own. Pick any one your selected topic. Write your topic web of your own. Use one of the broad topics below.

Broad Topics:
People should be volunteer work. Students should be in clubs.

Theme Unit For Common Core 5th Grade:

CGCT Toolkit Manual , **Academic Language in Diverse Classrooms: English Language Arts, Grades 3-5** Margo Gottlieb, Gisela Ernst-Slavit, 2013-09-23 Make every student fluent in the language of learning The Common Core and ELD standards provide pathways to academic success through academic language Using an integrated Curricular Framework districts schools and professional learning communities can Design and implement thematic units for learning Draw from content and language standards to set targets for all students Examine standards centered materials for academic language Collaborate in planning instruction and assessment within and across lessons Consider linguistic and cultural resources of the students Create differentiated content and language objectives Delve deeply into instructional strategies involving academic language Reflect on teaching and learning *Academic Language in Diverse Classrooms: Mathematics, Grades 3-5* Margo Gottlieb, Gisela Ernst-Slavit, 2013-02-27 Help your students unlock important mathematical concepts If you've ever watched a student struggle with learning math concepts you know that academic English can sometimes create stumbling blocks to understanding To grasp complicated concepts build skills and demonstrate achievement students need to master academic language in math The Common Core and ELD standards provide pathways to academic success through academic language Using an integrated Curricular Framework districts schools and professional learning communities can Design and implement thematic units for learning Draw from content and language standards to set targets for all students Examine standards centered materials for academic language Collaborate in planning instruction and assessment within and across lessons Consider linguistic and cultural resources of the students Create differentiated content and language objectives Delve deeply into instructional strategies involving academic language Reflect on teaching and learning Each grade specific chapter models the types of interactions and learning experiences that help students master both math content and academic language This essential book shows you why mastery of academic language is the key to students academic success With growing numbers of English Language Learners in our classrooms teachers need to be able to help students as they learn academic vocabulary and concepts This series offers teachers a practical support complete with abundant rubrics and detailed plans for teaching math vocabulary Renee Peoples Teacher Swain County Schools Bryson City NC **Doing Social Studies in Morning Meeting** Leah Carson, Jane Cofie, 2017-05-17 Enrich students social studies learning in Morning Meeting This book is ideal for getting K 6 students excited about and deepening their understanding of the world around them The activities cover a wide range of topics concepts and skills in geography civics economics and more all without adding to your already packed schedule Features clear step by step directions Can be used with any curriculum Includes key vocabulary words Provides variations and extensions for further learning Activities are sorted by grade but can be adapted for any grade **Effective Educational Programs, Practices, and Policies for English Learners** Liliana Minaya-Rowe, 2014-10-01 The central issue of this volume is how to meet the linguistic and academic needs of the increasing

numbers of English learners ELs At the center of educational turns is the role of school professionals in this Common Core Standards era Teacher education programs and professional development or pre service and in service programs for teachers of ELs are currently being reframed to reflect the new demands placed on all teachers in light of the new standards The expectation is that ELs can learn and their teachers possess the expertise to teach both discipline content and academic English at the same time The large numbers of ELs across the country have created a wide gap between what teachers have been trained to do and the skills they need to teach and reach them effectively This practical handbook brings together research policy and practice on teacher effectiveness pre service and in service programs in the context of student linguistic and cultural diversity Key features include Clearly articulated teacher training and professional development programs Coverage of Common Core curriculum and a variety of instructional programs and practices with research based tools to implement them and Policies to equitably and effectively prepare ELs academically and linguistically **Field Literature**

Program: Fox eyes. (for grade 5) ,1971 Teaching in the Middle and Secondary Schools Richard Dean Kellough, Joanna Carjuzaa, 2009 This practical performance based methods text for middle and second school pre service teachers is organized around four developmental components Why gives the rationale to support the components that follow What what you will be teaching How how you will teach it How well how well you are teaching it Organized into four parts that are then split up into ten modules the text begins with a history of education going back to colonial times The modules then cover the many and varied aspects of teaching pre and early adolescents such as teaching students with exceptionalities classroom management diversity instructional planning using technology in the classroom assessing student achievement and self assessment and continued professional development The authors contend that the best teacher is one who has an eclectic style and can monitor their own progress and make changes and adapt their strategies if they are not succeeding The ninth edition has been carefully updated to reflect the diversity and current topics in the field today The book is a valuable resource for students today and as a reference for many years to come New To This Edition NEW Improved balance of content between middle and secondary schools this emphasizes that middle school is uniquely different from both high school and the traditional junior high school and that pre and early adolescence is different from late adolescence NEW Technology has been integrated throughout every module of the book New features including Teaching Scenarios Activities and Technology Rich features were added to all modules NEW Contributions from pre service and in service middle and secondary school teachers teacher educators and educational researchers have been added to strengthen the tie between theory and practice **Challenging Common Core Language Arts Lessons** Magdalena Fitzsimmons, 2021-09-03 This book from the Center for Gifted Education at William Mary provides gifted and advanced learners challenging activities to master and engage with the Common Core State Standards for English Language Arts through four mini units Each mini unit is packed with activities that enrich and extend grade level ELA content for grade 5 Included texts have messages and

characters that are developmentally suitable for students Through higher order reasoning questions resulting discussions and student created products associated with these texts gifted and advanced students needs are met while still maintaining messages and characters to which students can relate Students will be exposed to themes such as the hero s journey success from failure journey as a symbol for change and conflict Each theme was chosen with advanced fifth grade students in mind and their emerging need to learn more about themselves their world and how to work through adversity to accomplish their goals Grade 5

The Elementary English Review ,1936 **Resources in Education** ,1997 *A Curriculum for English* ,1963 **El-Hi Textbooks and Serials in Print** ,2003 **Elementary English Review** ,1936 SCC library has 1949 cur
