Theology And Difference Theology And Difference:

Theology and Difference Walter Lowe, 1993-07-22 provocative and rewarding Religious Studies Review a tour de force Theological Studies Theology and Difference reconceives the options confronting modern theology and investigates the disputed questions that underlie it Pressing beyond the ready made enlightenment offered by the subject object framework Walter Lowe uncovers a number of remarkable convergences between the contemporary philosopher Jacques Derrida and the early twentieth century theologian Karl Barth Feminist Theology and the Challenge of Difference Margaret D. Kamitsuka, 2007-07-20 Kamitsuka cautions the feminist theological community against the possibility of excluding some segments of the female population in its quest for liberation She directs her readers attention to the fact that most feminist theologians are writing from a position of privilege as white heterosexual women Applying postmodern and postcolonial thought to better explore feminist theology Kamitsuka argues that the feminist theological movement needs to consider a broader range of issues affecting women today Focusing on womens experience as portrayed in literature biblical narrative and ethnographic writing Kamitsuka examines the assumptions of first wave feminist theology and reflects on the roles of race and sexuality and their possible impact on feminist theological trends *Theology, Science and Life* Carmody Grey, 2023-01-26 Offering a bold intervention in the ongoing debate about the relationship between theology and science Theology Science and Life proposes that the strong demarcation between the two spheres is unsustainable theology occurs within and not outside what we call science and science occurs within and not outside theology The book applies this in a penetrating way to the most topical contentious and philosophically charged science of late modernity biology Rejecting the easy dualism of expressions such as theology and science theology or science modern biology is examined so as to illuminate the nature of both In making this argument the book achieves two further things It is the first major English language reception and application of the thought of philosopher Hans Jonas in theology and it makes a decisive contribution to the unfolding reception of Radical Orthodoxy one of the most influential schools in contemporary Anglophone theology

Radical Difference Tim S. Perry, 2006-01-01 It is commonly assumed that all religions are essentially alike that they are all common members of the genus Religion But what if religions are not fundamentally similar after all What if on the contrary it is better to presuppose a radical difference among the world s various religious communities with each faith being defined by different beliefs different practices different world views and different ways of life Radical Difference A Defence of Hendrik Kraemer s Theology of Religions explores the implications of this presupposition by examining the pioneering work of Dutch Reformed theologian and missionary Hendrik Kraemer Perry shows that a critical reappropriation of Kraemer by contemporary Christian theology of religions can only help those Christians especially evangelical Protestants who find themselves equally unsatisfied with the various pluralisms and traditional responses whether optimistic or skeptical currently available Increased global migration and technological advances have brought us closer together than ever before At the

same time ethnic cultural and religious tensions throughout the world have awakened us to issues of interreligious tolerance and cooperation This book recognizes and addresses the impact differing religious beliefs practices and world views have on our lives *Dualities* Michelle Voss Roberts,2010-01-01 Philosophy and theology have each struggled with the problem of dualism the conviction that reality comprises material and nonmaterial entities Too often this split places God spirit mind and the masculine in opposition to evil body matter and the feminine These intellectual divisions support social structures that oppress rather than embrace women the poor people of color and others With this volume Voss Roberts expertly shows how comparative theology uproots dualism and fosters new modes of community built on cooperation instead of oppression

Theological Education that Makes a Difference Henry G. Church,2002 The Free Methodist Church became a phenomenon in Malawi around the time of independence when in the spirit of the times and in the wake of a hundred years of Christian missionaries new churches and missions were becoming popular Since inception this Church has grown by about ten percent a year The author of this book attributes its success to a particular approach of theological education Writing from a committed insider perspective he outlines the missionaries Chilinde approach in Malawi The purpose of this educational philosophy is that the church should grow and that the growth of the faith is best mediated through its bible school allowing both the Church and its theological school to mutually strengthen one another **Karl Barth and**

Comparative Theology Martha L. Moore-Keish,Christian T. Collins Winn,2019-08-06 Building on recent engagements with Barth in the area of theologies of religion Karl Barth and Comparative Theology inaugurates a new conversation between Barth's theology and comparative theology Each essay brings Barth into conversation with theological claims from other religious traditions for the purpose of modeling deep learning across religious borders from a Barthian perspective For each tradition two Barth influenced theologians offer focused engagements of Barth with the tradition's respective themes and figures and a response from a theologian from that tradition then follows With these surprising and stirringly creative exchanges Karl Barth and Comparative Theology promises to open up new trajectories for comparative theology Contributors Chris Boesel Francis X Clooney Christian T Collins Winn Victor Ezigbo James Farwell Tim Hartman S Mark Heim Paul Knitter Pan chiu Lai Martha L Moore Keish Peter Ochs Marc Pugliese Joshua Ralston Anantanand Rambachan Randi Rashkover Kurt Richardson Mun im Sirry John Sheveland Nimi Wariboko Trinitarian Theology and Power Relations M.

Minister,2014-11-06 This text crafts a trinitarian theology that reorients theology from presumptions about the immateriality of the Trinity toward the places where the Trinity matters material bodies in historical contexts and the intersecting ways political and theological power structures normalize and marginalize bodies on the basis of material difference *Theology, Political Theory, and Pluralism* Kristen Deede Johnson,2007-01-25 How can we live together in the midst of our differences This is one of the most pressing questions of our time Tolerance has been the bedrock of political liberalism while proponents of agonistic political thought and radical democracy have sought an answer that allows a deeper celebration of difference

Kristen Deede Johnson describes the move from tolerance to difference and the accompanying move from epistemology to ontology within political theory Building on this ontological turn in search of a theological answer to the question she puts Augustine into conversation with recent political theorists and theologians This theological option enables the Church to envision a way to engage with contemporary political society without losing its own embodied story and practices It contributes to our broader political imagination by offering a picture of rich engagement between the many different particularities that constitute a pluralist society *The Ritschlian Theology and the Evangelical Faith* James Orr,1897

Sex Difference in Christian Theology Megan K. DeFranza,2015-05-08 Charts a faithful theological middle course through complex sexual issues How different are men and women When does it matter to us or to God Are male and female the only two options In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us *The Theological Position of Gregory Sayrus, O.S.B., 1560-1602* Edward Joseph Mahoney,1922 *Specters of God* John D.
