Through The Eyes Of A Medium:

Through the Eyes of a Medium Matthew Wilson, 2016-07-16 The mind aspect is in fact the perceiver of all that we are aware of The mind is the mysterious aspect that gives us our personality The mind is the abstract essence that we take for granted Through this channel we receive and distribute information and decide within seconds by a system called thought Thought is the activation of neurons within the brain which connect through a continued set of pathways Through this process thoughts become words to be expressed Then words are produced in the mind to verbally express to our fellow men our wishes and conscious activities There are different schools of thought each having a constitution acquired over the years Past experiences lay dormant in the subconscious brain and the association of ideas are released sometimes when we think about a situation from the past bringing into focus new concepts We all have this ability to change our thoughts instantly This we do automatically through certain processes within the neural pathways *Through the Eyes of a Medium* Blanca

Beyar, 2015-01-10 The afterlife truly exists Blanca shares some of the many of the heart warming messages she has received and explains how it is possible for everyone to experience the love and energy of our beloved passed ones without having to be a medium Learn how the afterlife chooses the simplest details to validate their existence and how we can all begin to witness the little messages that can help us through the grieving process and healing [Through the Eyes of a Medium](#)
