Through the South Seas with Jack London (Classic Reprint) Martin Johnson,2017-10-19 Excerpt from *Through the South Seas With Jack London* Accounts Of dare devil exploits have always been read with deep interest One Of the salient features of human nature is curiosity a desire to know what is being said and done outside the narrow limits Of one s individual experience or in other words to learn the modes Of life Of persons whose environment and problems are different from one s own environment and problems TO this natural curiosity the book of travel is particularly gratifying But when we add to the fact that such a narrative treats of races and conditions almost unknown to the inhabitants Of civilised countries the consideration that those voyageurs to whom the adventures fell are men and women already prominently before the public and so deserving of that public s special confidence the interest and value of such a work will be seen to be extraordinarily enhanced About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
