cannot ace anything in life if they don't know and understand the guidelines of the topic. God's topic is YOU. Taking you from where you are to where He designed for you to be. Everything you are or will ever be is already inside of you. It's called potential. For anyone who wants to be their self if you need and seek hope, anyone with no sense of direction to all the gamers or those with a competitive spirit, this book is for you. **The Ministers Manual** James William Cox, 1996 *Technology and Society* R. V. G. Menon, 2010. *Technology and Society* traces the history of developments in science and technology from the Stone Age to modern times. It analyses how cultural attitudes and values have influenced their development and use as well as the ways that technology in turn has influenced our lives, morals and culture for better and for worse. The book also looks at recent developments in information and space technology and closely examines the many facets of our prospects for survival in a safe and sustained world. Students of science and the humanities as well as general readers interested in the subjects will find this lucid engaging text an invaluable introduction to this vast exciting and essential topic. **National Message and Banner**, 1931
