

THUNDER CAKE

By Patricia Polacco

Grandma looked at the horizon, drew a deep breath and said, "This is Thunder Cake baking weather, all right. Looks like a storm coming to me."

"Child, you come out from under that bed. It's only thunder you're hearing," my grandma said.

The air was hot, heavy, and damp. A loud clap of thunder shook the house, rattled the windows, and made me grab her close.

"Steady, child," she cooed. "Unless you let go of me, we won't be able to make a Thunder Cake today!" "Thunder Cake?" I stammered as I hugged her even closer.

"Don't pay attention to that old thunder, except to see how close the storm is getting. When you see the lightning, start counting... real slow. When you heard the thunder, stop counting. That number is how many miles away the storm is. Understand?" she asked. "We need to know how far away the storm is, so we have time to make the cake and get it into the oven before the storm comes, or it won't be real Thunder Cake."

Her eyes surveyed the black clouds a way off in the distance. Then she strode into the kitchen. Her worm hands pulled a thick book from the shelf above the woodstove.

"Let's find that recipe, child," she crowed as she lovingly fingered the grease-stained pages to a creased spot.

"Here it is ... Thunder Cake!" She carefully penned the ingredients on a piece of notepaper. "Now let's gather all the things we'll need!" she exclaimed as she scurried toward the back door.

We were by the barn door when a huge bolt of lightning flashed. I started counting, like Grandma told me to, "1-2-3-4-5-6-7-8-9-10."

Then the thunder ROARED! "Ten miles... it's ten miles away," Grandma said as she looked at the sky. "About an hour away, I'd say. You'll have to hurry, child. Gather them eggs careful-like," she said.

Thunder Cake Story Text:

Adopting the Tune of Appearance: An Psychological Symphony within **Thunder Cake Story Text**

In a global eaten by displays and the ceaseless chatter of fast interaction, the melodic splendor and mental symphony produced by the prepared term frequently disappear in to the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. But, located within the pages of **Thunder Cake Story Text** a charming fictional treasure full of fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that fascinating masterpiece conducts visitors on a mental journey, well unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of this moving examination, we shall discover the book is main harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
