Writer's Craft: Models, Lessons, and More Teacher Created Resources, 2004-08-24

Teaching Is Inquiry Cynthia Ballenger, 2025 Many teachers maintain commitments to ideas and practices that they rarely question Among these

assumptions are ideas about children and the variety of reasons as to how they might learn or fail to learn Teaching as inquiry is the practice of gaining distance from one's assumptions about teaching and learning to better serve all children including those struggling in school Ballenger shares stories from her experiences demonstrating that children are always thinking and always making sense and going further that the ideas of our most puzzling students lead us to new recognition of what thinking looks like Readers will learn how teaching with documentation and reflection develops and deepens their practice over time Divided into three sections chapters address the framework for inquiry language and reading groups and the interests of particular children with special needs in relation to the curriculum Teaching Is Inquiry details the practices of teacher inquiry with a series of sometimes sad sometimes joyful stories from the classroom Book Features Urges teachers to move beyond the first look or more superficial understandings of students Demonstrates the value of documentation in order to better understand the ideas of a wide range of students including those identified as struggling Showcases the author's powers of observation that have inspired many teachers inquiry into their own practice Offers reflections that are both complex and open to further interpretation on the part of readers Extends the author's examination of puzzling moments encounters with students that may be difficult to comprehend or do not conform to more typical interactions *All Kinds of Friends* Roger C. Farr, Dorothy S. Strickland, Richard F. Abrahamson, 1995 *Awakening Brilliance in the Writer's Workshop* Lisa Morris, 2013-10-02 Master teacher Lisa Morris invites you to share her secrets of success with writer's workshops After years of experimenting with the workshop model she has developed the most effective ways to apply it in the classroom yielding higher test scores and increased student engagement Through practical step by step instruction Morris demonstrates how to use writer's notebooks mentor texts the writing process and the 6 traits Specific topics include setting up the classroom for workshops creating a writing curriculum creating guidelines expectations and lessons for using notebooks helping students select ideas brainstorm and plan assigning writing partners and organizing sharing getting students to self reflect creating process and product portfolios finding resources for publishing holding effective writing conferences The book also offers an array of invaluable tools such as student writing samples mini lessons for each stage of the writing process lesson plans pacing guides for dividing your time during the workshop sample charts to help you stay organized suggested classroom guidelines and handouts a list of mentor texts organized by what you can use them to teach e.g. adjectives alliteration onomatopoeia beginnings endings strong verbs sensory details quotations on each stage of the writing process to motivate students *Houghton Mifflin Reading* David J.
