a place of activity and life As you walk under the shadow of a city gatehouse you realize that it is much more than that 3 The city is alive with activity and within a short time you forget about the traitors The absence of animal dung in the streets is a sign of the city s vitality 4 The noise and textures of the city do not reflect the fact that few people actually live in the larger towns and cities of England The daytime population of a city can be two or even three times greater than the number of people living within the walls
