Worldview Wars Ifiok J. Ukobo, 2015-05-08 In *Worldview Wars* Ifiok J. Ukobo exposes the hidden but very aggressive war of worldviews being waged against righteousness in our personal lives and community. This battle has now arrived in every home, community, and country. We are under attack, and the battle front spans our schools, media, national policies, and pulpits. Families are breaking down, children are becoming rebellious, communities no longer have shared values, and a cultural flux is emerging. In *Worldview Wars*, the author presents practical ways to win the battle in your life, family, and community. This book will renew your mind and help you to stay free and bring freedom to others that have been taken captive. You will also discover practical strategies that will help you to teach your children a biblical worldview and arm them against deception.

The Three Worldviews Jim Davis, 2024-07-09 *The Three Worldviews: Thriving in the Abundant Freedom of Christ*. If you are a disciple of Jesus Christ, then you are dedicated in your commitment to grow up into the fullness of the stature of our Lord and Savior. On your journey out of darkness and chaos into the light and freedom of the glorious Kingdom of God, you entered the worldview of religion. Grace by Faith in Christ. As we fulfill our purpose on this earth, visit bestpathfoundation.com, we are faced with daily challenges to achieving and maintaining our worldview in the proper perspective for growth. This good endeavor is dedicated to helping you do that by looking at many of the cultural, practical, controversial, and theological concepts of our age with an education and focus on the Word of God as the only source of true guidance and strength. Andrews, 2025-10-13 For over three decades, a silent war has raged, not with weapons but with ideas. Fueled by billions in Qatari funding and promoted through Western education systems, a strategic ideological jihad has reshaped the minds of youth, turning them against biblical truth, Christian heritage, and the very foundations of Western civilization. This book exposes the mechanisms

behind this indoctrination unmasking the global agenda that has infiltrated classrooms rewritten history and emotionally reoriented an entire generation It explores how sanitized Islamic narratives have replaced truth how cultural tolerance has become a tool for apostasy and how the Church and parents have too often surrendered their watch With uncompromising biblical clarity Islamic Ideological Jihad arms believers with the theological historical and spiritual insight needed to resist deception defend the faith and stand firm in an age of darkness You will discover How Islamic propaganda has invaded Western schools The psychological and emotional methods used to win the minds of youth The failure of the Church and the responsibility of Christian parents The biblical response to false worldviews and rising apostasy How to raise and equip the next generation to contend for the truth This is not a cultural critique This is a call to spiritual warfare Take up the full armor of God and having done everything to stand firm Ephesians 6 13 *Glass House* Ken Ham,Bodie Hodge,2019-02-20

Evolution as an idea is considered a rock solid truth among secular scientists but when you begin looking at the evidence and asking simple questions you find their conclusions to be just fragile assumptions unproven myth and outright misconceptions like a glass house built on shifting sands Discover the pervasive influences of the atheistic religion of Darwinian evolution Learn what science is and how science is actually devastating to evolution Explore how evolution developed from unproven science to a popular and cultural worldview Now a powerful team of credentialed scientists researchers and Biblical apologists take on the pillars of evolution and the truths they reveal decimate Darwin s beliefs using a Biblical and logical approach to evidence **The Captive and the Gift** Bruce Grant,2016-05-15 The Caucasus region of Eurasia wedged in between the Black and Caspian Seas encompasses the modern territories of Armenia Azerbaijan and Georgia as well as the troubled republic of Chechnya in southern Russia A site of invasion conquest and resistance since the onset of historical record it has earned a reputation for fearsome violence and isolated mountain redoubts closed to outsiders Over extended efforts to control the Caucasus area Russians have long mythologized stories of their countrymen taken captive by bands of mountain brigands In *The Captive and the Gift* the anthropologist Bruce Grant explores the long relationship between Russia and the Caucasus and the means by which sovereignty has been exercised in this contested area Taking his lead from Aleksandr Pushkin s 1822 poem *Prisoner of the Caucasus* Grant explores the extraordinary resonances of the themes of violence captivity and empire in the Caucasus through mythology poetry short stories ballet opera and film Grant argues that while the recurring Russian captivity narrative reflected a wide range of political positions it most often and compellingly suggested a vision of Caucasus peoples as thankless lawless subjects of empire who were unwilling to acknowledge and accept the gifts of civilization and protection extended by Russian leaders Drawing on years of field and archival research Grant moves beyond myth and mass culture to suggest how real life Caucasus practices of exchange by contrast aimed to control and diminish rather than unleash and increase violence The result is a historical anthropology of sovereign forms that underscores how enduring popular narratives and close readings of ritual practices can shed light on the management of

pluralism in long fraught world areas **CSB Worldview Study Bible, Navy LeatherTouch** CSB Bibles by Holman, 2018-05-15 The CSB Worldview Study Bible features extensive worldview study notes and articles by notable Christian scholars to help Christians better understand the grand narrative and flow of Scripture within the biblical framework from which we are called to view reality and make sense of life and the world Guided by general editors David S Dockery and Trevin K Wax this Bible is an invaluable resource and study tool that will help you to discuss defend and clearly share with others the truth hope and practical compatibility of Christianity in everyday life Captive to Reason Vincent Cheung, 2014-11-26 This is a collection of articles on Christian philosophy and apologetics It answers a number of objections raised by some professing Christians against biblical metaphysics epistemology and apologetics It is a corrective to both evidentialism and counterfeit presuppositionalism Chapters include Occasionalism and Empiricism The Fatal Maneuver Professional Morons Power Apologetics and The Preacher Speaks Philosophy **THE BATTLE FOR THE CHRISTIAN MIND** Edward D.
