Wormhole The Rho Agenda:

Wormhole Richard Phillips, 2012 When the Rho Project's lead scientist Dr Donald Stephenson is imprisoned for his crimes against humanity the world dares to hope the threat posed by the Rho Project's alien technologies is finally over The world is wrong In Switzerland scientists working on the Large Hadron Collider have discovered a new threat a scientific anomaly capable of destroying the earth and only Rho Project technology can stop it In exchange for a full pardon Dr Stephenson agrees to create a wormhole that will send the anomaly into deep space But his promise masks the alien agenda that brought the Rho Ship to earth Now a trio of altered humans Heather McFarland and Mark and Jennifer Smythe must infiltrate Stephenson's wormhole project and stop it no matter the cost The ultimate battle has begun and this time mankind cannot afford to lose The final installment to Richard Phillips's Rho Agenda trilogy brings the epic tale to an explosive conclusion that will echo long past the final page Discovering the Nature of Gravity Kristi Holl, 2014-12-15 Gravity is now so universally accepted it seems almost impossible to believe that for millennia the force remained unknown Yet it wasn't until a few brilliant minds standing on the shoulders of the giants before them began asking the right questions that we could explain why we don't float off the ground why planets remain in orbit and why time travel remains even a distant possibility Interspersing history with science to support STEM learning this exciting volume chronicles the evolution of our understanding of gravity by tracing the lives and experiments of the individuals instrumental in advancing gravitational physics **The Altreian Enigma** Richard Phillips, 2016-12-06 When Mark and Heather Smythe saved Earth from the conquest hungry Kasari Collective they thought their work was done But the world's vast new government continued its quest to make extraterrestrial contact And now as a new gateway is activated to welcome the Kasari whom world leaders take to be benefactors only the Smythes stand a chance of countering their planet's invasion and subjugation by a race of ruthless conquerors Years after their failed first mission the Kasari have returned bearing irresistible promises while concealing insidious plans to enslave humanity But not if the Smythes along with fearless CIA agent turned mercenary Jack Gregory and his partner Janet Price can help it From the world's last stronghold they take the fight to enemies both earthling and alien even as their comrades in arms join the warrior Koranthians in battling the Kasari on a far off planet But the greatest danger lies within Earth itself where an ancient artifact prepares to summon doom from another world **Dead Shift** Richard Phillips, 2015 With the final chapter of the Rho Agenda Inception all secrets will be revealed Who is the alien mind haunting Jack The Ripper Gregory What is the purpose of the immensely powerful Sun Staff And how will the culmination of these events set the stage for the Rho Agenda In this page turning sci fi adventure the NSA's most brilliant hacker is abducted and the world stands on the brink of cyberwar The Ripper and his ghost team commandos are called to action battling a host of enemies ranging from a genius tech billionaire and the Chinese government to an emerging superintelligence capable of bringing the world to its knees With every threat in play Jack must confront his alien passenger

and regain some semblance of self control As the origins of the Rho Agenda come to light Jack struggles to embrace his destiny But how can even one such as he prevail against an existential threat to humanity *The Kasari Nexus* Richard Phillips,2016 Jennifer Smythe escapes Earth s invasion by the insidious Kasari race hijacks an alien starship and survives the deadly passage through a wormhole But escape is short lived When Jennifer emerges on the new world of Scion she is confronted by the same deadly enemy Now the Kasari have sided with the planet s angel like elite against the warrior underclass but with the intent of ultimately ruling both And when Jennifer is captured by the brutish Koranthians her alien enhanced abilities make her a crucial asset in battling the Kasari and their winged allies Back on a divided Earth Jennifer s brother Mark and Jack the Ripper Gregory wage their own war against the Kasari As the global government welcomes the extraterrestrials Mark Jack and their rebel faction seek to use the powerful mind altering skills gained from the Kasari s sworn enemies to repel the would be conquerors But faced with the might of Earth s ruling forces has the cause already been lost **The Meridian Ascent** Richard Phillips,2017 In this stunning conclusion to the Rho Agenda Assimilation by the bestselling author of *The Second Ship* the small but fierce band of altered humans and Earths resistance fighters face their greatest opportunity to stop the Kasari But with the remnants of humanity and a battered Earth caught in the cross fire can they secure a victory without sacrificing everything theyre trying to protect **Wormhole Number Three** Ronald Cornelissen,2003 **Wormhole Number Two** Ronald Cornelissen,2003 Wormhole, Black Hole, Challenge Morris Marsell (author),1901 **The Wormhole** Eve Makis,Leukaemia Society (Great Britain),2011
