Tom Swift and His Motor-Cycle, Or, Fun and Adventures on the Road - Classic Book Victor Appleton,2017-07-20 This is the first book of 40 counting two big little books in the original Tom Swift series Although in later volumes Tom invents some fantastic stuff for the period 1910 1938 but in this one he starts amall buying a motorcycle relatively new stuff in 1910 from the eccentric Mr Wakefield Damon who accidently tried to climb a tree with it Tom improves the machine and uses it to attempt to bring a model and papers of his father s latest invention to Albany where the family s corporate lawyer was Tom is waylaid but a gang intent on stealing the invention and does some detective work tracking the men down after they succeed in their theft He starts after them alone but meets Mr Damon and his friends and they succeed in regaining the model and papers the crooks manage to get away to come back in Tome Swift and his Motor Boat the 2nd book of the series We briefly meet Mary Nestor whose horse runs away with her but she figures more prominently in later volumes With a more significant role we also meet Eradicate Rad Sampson and African American man of all work Unfortunately he is given the stereotypical speech patterns given to black characters in the period this is written but his characterization is usually quite positive he often provided some comic relief as he s reluctant to go on some of Tom s inventions later on Rad in this first book is shown as industrious and repeatedly acquires better tools throughout the book although Tom either fixes or improves the tools and it is Rad that gives Tom the clue that tracks down the thieves Ned Newton Tom s friend and Andy Foger Tom s enemy are also introduced but their parts are small like Mary they become more significant later American boys fiction under pseudonym used by the Stratemeyer Syndicate who produced Tom Swift series Nancy Drew mysteries the Hardy Boys Dave Fearless and many others A number of scientists inventors and science fiction writers have also credited Tom Swift with inspiring them including Ray Kurzweil Robert A Heinlein and Isaac Asimov The Tom Swift Jr adventures were Steve Wozniak s favorite reading as a boy and inspired him to become a scientist According to Wozniak reading the Tom Swift books made him feel that engineers can save the world from all sorts of conflict and evil
