

Presentation

Intended use

The machine is intended to be used under normal conditions for the operations described in the Operator's Manual. If it is used for other purposes or in potentially dangerous environments, for example, an explosive atmosphere, flammable environment or areas with dust containing asbestos, etc., special safety regulations must be followed and the machine must be equipped for such use. Contact the manufacturer / dealer for further information.

Machine operating temperature range

The standard machine configuration is intended for use within an ambient temperature range of -40°C (-40°F) to 50°C (122°F). Special configurations for different ambient temperatures may be available. Consult your Volvo dealer for any additional information or special configurations of your machine.

Environmental requirements

Bear the environment in mind when operating and during service and maintenance of the machine. Always follow local and national environmental legislation regarding all handling of the machine.
