VOLVO

Foreword

The descriptions and service procedures contained in this manual are based on designs and methods studied until mid-1991.

The products are under continuous development. Details and components produced after the above date may therefore have different specifications and repair methods. When this is subject to have a significant bearing on the manual, supplementary service bulletins will be issued to cover the changes.

The new edition of this manual will update the changes.

In service procedures where the title incorporates an operator number, this is a reference to U.S.T. (Volvo Standard Terms).

Service procedures which do not include an operator number in the title are for general information and no reference is made to U.S.T.

The following levels of observation, caution and warning are used in this Service Documentation:

Note: Indicates a procedure, practice or condition that must be followed in order to have the vehicle or component function in the manner intended.

Caution: Indicates an unsafe practice where damage to the product could occur.

Warning: Indicates an unsafe practice where personal injury or severe damage to the product could occur.

Danger: Indicates an unsafe practice where serious personal injury or death could occur.
