Michael Bendis,2011-11-02 The wait is over Prepare yourself for the most shocking Spider Man story you will ever read Young Peter Parker has led a heroic life and tried to live by the simple and powerful philosophy that with great power comes great responsibility but will that philosophy be enough to save him from the horror that awaits him here This is easily the most important story in ULTIMATE SPIDER MAN history and maybe the most important story in the Ultimate Universe Who better to illustrate it than Ultimate Spider Man legend Mark Bagley making his mighty Marvel return It s Bendis and Bagley together again and just in time Collecting ULTIMATE SPIDER MAN 156 160 **Enter the Superheroes** Alex S.

Romagnoli,Gian S. Pagnucci,2013-06-20 Ever since the first appearances of Superman and Batman in comic books of the late 1930s superheroes have been a staple of the popular culture landscape Though initially created for younger audiences superhero characters have evolved over the years becoming complex figures that appeal to more sophisticated readers While superhero stories have grown ever more popular within broader society however comics and graphic novels have been largely ignored by the world of academia In *Enter the Superheroes American Values Culture and the Canon of Superhero Literature* Alex S Romagnoli and Gian S Pagnucci argue that superheroes merit serious study both within the academy and beyond By examining the kinds of graphic novels that are embraced by the academy this book explains how superhero stories are just as significant Structured around key themes within superhero literature the book delves into the features that make superhero stories a unique genre The book also draws upon examples in comics and other media to illustrate the sociohistorical importance of superheroes from the interplay of fans and creators to unique narrative elements that are brought to their richest fulfillment within the world of superheroes A list of noteworthy superhero texts that readers can look to for future study is also provided In addition to exploring the important roles that superheroes play in children s learning the book also offers an excellent starting point for discussions of how literature is evolving and why it is necessary to expand the traditional realms of literary study *Enter the Superheroes* will be of particular interest to English and composition teachers but also to scholars of popular culture and fans of superhero and comic book literature Focus On: 100 Most Popular Fictional African-American People Wikipedia contributors, *Graphic Novels* Michael Pawuk,David S.
